## Notice of Bimonthly **SKIPPED** Meeting

Date: **Thursday Sept 12, 2019**

Dear Elected and Community Members,

Given our last meeting was July 11, 2019, our next quarterly meeting will be held on October 10, 2019.

**Please forward potential or desired Agenda Items to me ASAP or no later than September 19, 2019.**

In our continued effort to get our bylaws approved and develop a regular meeting schedule that “gels” with the City Legislative calendars, holidays, and our mandated MARCH Annual meeting... it’s challenging to just use the basic quarterly schedule – as December and June are ineffective.

I’m suggesting that we adopt January, March, June, October as “regular” meeting months with others added as required and appropriately noticed, please provide feedback and I will add this to our October agenda for an official vote.

Very truly yours,

Marc Lindshield - Chair
