

# **Midway Pacific Highway Community Planning Group**

## **October 16, 2019 Regular Meeting**

### **3:06 pm Call to Order**

#### **Attending:**

Cathy Kenton, Kurt Sullivan, Dike Anyiwo, Jason Viera, Judy Holiday, Randall LaRocco, George Diaz, Mike Swanston, Dave Siegler.

#### **Minutes:**

Minutes for July were placed for approval. George motioned; Dike seconded.  
**Unanimous approval.**

#### **Public Comment:**

None.

#### **Government Reports:**

**David Surwilo from SDPD spoke.** Updated on police activities in the area to support the homeless outreach, psychiatric outreach and enforcement objectives of the department. He urged owners to follow letter of agency process to allow the police to enforce trespassing on their property.

**Josh Coyne from the council district 2 office spoke.** Fire station 20 improvements are fundable, and he is awaiting word from the chief on that and he will follow up. His office is working on the 5-year CIP list and Desiree's expressed by this group have been noted. Camino del Rio and Hancock left turn lane issue is being discussed and worked on with exploration. Cathy asked that someone from the traffic department come to the board prior to turn lane work commencing.

No other representatives attended.

#### **Action Items:**

**Bill Zent from [www.scooterban.com](http://www.scooterban.com) spoke** on the corporate scooter moratorium. 1,300 signatures have been gained in favor of their group's objective of properly managing scooters versus the current free for all situation that results in risk, cost to the city taxpayers and private property value erosion.

Matt from Barbara Bry's office spoke on her desire to move forward a plan that addresses their problems with corporate scooters. Kurt moved and Mike seconded the following wording: "The MPHCPG supports official and fast consideration by the City of San Diego of and determination on corporate scooter deployment within the City of San Diego for a period of time necessary to create and implement scooter company and end user rules and regulations that provide for effective city enforcement, safety, prevention of private property value erosion and limitation of liability on the part of the city." **Board vote: 6 in favor; 1 opposed.**

### **Informational Items:**

**Brendan Reed from the Airport Authority** updated on the terminal 1 improvement plans to redo and modernize it. Details are available at [www.san.org/plan](http://www.san.org/plan).

### **CPC Report:**

Dike indicated the September meeting was adjourned so there is nothing to report. Dike has been drafted for a task force to serve on the CPC task force on Community Planning Group Reform.

### **Chair Report:**

Website update—no material developments to report.

Jarvis Ross passed away recently. Jarvis was a regular attendee of our meetings who spoke passionately on issues.

The city has published an action report on homelessness calling for \$ 190 million to be spent annually in additional funds over that's currently being spent. She also mentioned a man in Texas who seems to have done well with tiny house concepts to address housing and thinks having this person as a resource for San Diego would be valuable.

**New Business:**               None.

**Old Business:**               None.

**Adjourned at 4:27 pm.**
