To the city council of the city of San Diego.

Gentlemen:

Whereas City Ordinance #13548-Sec 1
Pertaining to the dimensions of bathing suits
was passed in 1932 and

Whereas bathing suits have become more and
more brief in style in the ensuing fifteen
years resulting in the two piece suits for
women and the abbreviated shorts for men and

Whereas eighty to ninty percent of the bathers
on the beach wear bathing suits which probably
violate the aforementioned ordinance.

Therefore we the undersigned respectfully
petition the city council that City Ordinance
#13548 Sec 1 be rewritten as follows.

.....

All bathers on the beaches of the City
of San Diego of the age of ten years or over
may wear bathing attire which is in keeping
with the current trend of styles in bathing suits.
