Honorable Mayor & City Council
San Diego, Calif.

Gentlemen:

I want to take this opportunity of thanking you for your continued faith in the work of The Salvation Army here in San Diego, by the appropriation of funds needed to operate our shelter during the month of March.

We have endeavored to give the community the very best service possible, and are gratified with the results of our labors.

Let me assure you that if, in any way, we can serve you, you are at liberty to call upon us and we will be only too pleased to assist in easing the City's social problems, which are increasing every day.

Again thanking you, I am,

Yours for Service,

H. B. Collier
