**Council President Pro Tem Bry Calls on the Mayor and City Attorney to Publicly  
Release All 101 Ash Documents**

**San Diego**— Recent investigative reports by the media include references to documents that have never been shared with the Council or the public. These media reports suggest that city officials participated in a scheme to secure financing for the 101 Ash Street transaction at a price well above the appraised value of the building. I am asking the Mayor and City Attorney to immediately publicly release all documents related to this transaction, including the signed lease agreement, all documents associated with the transaction and subsequent investigations, including drafts, closing documents and communications between the attorneys.

The public deserves an independent accounting of what happened, who was responsible, and what, if any, criminal violations occurred.

*Council President Pro Tem Barbara Bry represents San Diego City Council District 1, which includes the communities of Carmel Valley, Del Mar Heights, Del Mar Mesa, La Jolla, Pacific Highlands Ranch, Torrey Hills, Torrey Pines, and University City.*
