-  Water Pipelines
-  Sewer Pipelines

## NIGHT WORK TRAFFIC ADVISORY

### Water Group Job 958

**San Diego** - City of San Diego Public Works Department contractors are in the process of paving Regents Road near State Route 52 as part of a water main replacement project (Water Group Job 958).

This work will require the shutdown of the east and westbound off-ramps from SR-52 to Regents Road on Wednesday, August 27, 2014 beginning at 9 p.m. The ramps are scheduled to re-open at 5 a.m. on Thursday, August 28, 2014.

The on-ramps from Regents Road to east or westbound SR-52 will remain open.

Travelers who need to exit SR-52 at Regents Road will be detoured via Genesee Avenue north to Governor Drive and then west to Regents Road.

**Please use caution when traveling through the construction zone, and please allow extra time to arrive at your destination if traveling through this area.**

Thank you for your patience and understanding during this project. The City and its contractor will make every effort to complete this work quickly and efficiently.
