NIGHT WORK TRAFFIC ADVISORY

Harbor Drive 24" Sewer Main Replacement

San Diego - City of San Diego Public Works Department contractors will install sewer pipeline at the intersection of Harbor Drive and Pacific Highway. Heavy construction work will begin at 8 p.m. on Monday, May 12, 2014. Night work will take place Mondays through Thursdays until Thursday, May 22, 2014.

The work will require the closure of one lane on westbound Harbor Drive at Pacific Highway. The lane will be reopened to normal traffic each morning at 6 a.m.

Traffic will be detoured via Pacific Highway north to Broadway and then west to Harbor Drive. There will be access to the Embarcadero area via Broadway.

Please use caution when traveling through the construction zone, and please watch for temporary detour and no parking signs. "No parking" areas will be enforced. Please allow extra time to arrive at your destination if traveling through this area.

Thank you for your patience and understanding during this project. The City and its contractor will make every effort to complete this work quickly and efficiently.
