**Arrest made in Patio Furniture theft Series**

**San Diego**—On Thursday, March 22, 2018, Patrol Officers from the San Diego Police Department's Northern Division arrested 44 year old Jose Luis Manjarrez-Ledesma.

For the past several months residents of Pacific Beach have been reporting patio furniture being stolen from their front porches. In several of the cases, video surveillance captured the picture of a Hispanic male with a mustache. Surveillance also captured a dark SUV with Baja plates. The thefts were occurring in the late night and early morning hours.

The suspect was stopped during a traffic stop. He was interviewed and later arrested. His vehicle was impounded.
