

# OCTOBER 9, 2019

# MSCP WORKSHOP

## Multiple Species Conservation Program

The Multiple Species Conservation Program (MSCP) was developed to preserve a network of habitat and open space, protecting bio-diversity and enhancing the region's quality of life. Learn about the assemblage status of the preserve system and the many management activities that are taking place across jurisdictional boundaries by multiple agencies.

## Agenda

8:30 am	Coffee and light refreshments
9:00 am	Local jurisdiction and agency presentations
11:00 am	Learn about the Otay River Restoration Project
11:30 am – 1:30 pm	Site visit to the Otay River Restoration Project* *Limited seats available, must RSVP to <a href="mailto:cgoddard@chulavistaca.gov">cgoddard@chulavistaca.gov</a>
