# PUBLIC NOTICE

---

**Date: May 18, 2020**

**Subject: Local Enforcement Agency (LEA) Public Information Meeting**

---

Please be advised that the City of San Diego Solid Waste LEA will be holding an informational public meeting in compliance with [Public Resource Code §44004](#) regarding a revised Solid Waste Facility Permit for the West Miramar Sanitary Landfill 37-AA-0020. The LEA is certified by the [California Department of Resources Recycling and Recovery](#) (CalRecycle) to enforce state laws and regulations at solid waste sites within the City of San Diego, including all disposal facilities.

This informational meeting will be held to inform the public regarding the proposed solid waste facility permit application accepted for filing by the LEA to address a height increase and to update other activities conducted at the landfill. The public can comment on the LEA's preliminary determination, but the meeting is strictly informational, and no official decision will be adopted at the meeting.

## **Online Meeting**

The meeting will be conducted pursuant to the [Title 27 California Code of Regulations, §21660.2](#) and under the provisions of [California Executive Order 29-20](#), which suspends specific requirements of the Ralph M. Brown Act. During the current State of Emergency and in the interest of public health and safety, the meeting will be webcast. All questions and comments can be submitted online or by calling into the meeting.

### **Description of Project**

The West Miramar Sanitary Landfill is requesting a Solid Waste Facility Permit revision to increase the permitted height of the existing active portion of West Miramar Landfill (WML) 238-acre Phase II from 485 feet mean sea level (MSL) to 510 feet MSL which would extend the life of the landfill. No horizontal expansion is proposed. No change in daily throughput is proposed. No changes in operations other than those necessary to accommodate the vertical expansion are proposed.

### **LEA's Determination**

On May 01, 2020, the LEA accepted for filing the application after reviewing and determining it to be complete. The application meets the requirements of Title 27 California Code of Regulations [§21570\(f\)](#) and [§21665\(e\)](#). The LEA will be drafting a proposed Solid Waste Facility Permit for concurrence or denial by CalRecycle

### **Where to get Additional Information**

A copy of the application is available for public review by appointment in the LEA office located at 9601 Ridgehaven Court, Suite 220, San Diego, CA 92123.

### **Options for Submitting Comments and LEA Contact Information**

If you have any questions or would like to schedule an appointment after reviewing the above information, please contact the LEA Solid Waste Inspector III Ricardo Gloria, at 619- 533-3693 or [RGloria@SanDiego.gov](mailto:RGloria@SanDiego.gov). If you would like to comment on this project, you may send your written comments to Ricardo Gloria via email or mail within 10 days of the date of this notice.

### **Appeals Process Information**
