

Rifle Shoot (May-Sept 2020)

60+ ROUND COURSE OF FIRE

- 50 yardline CONFIRMING ZERO

-2rnds in 5 sec 5X w/ Optic

-2rnds in 5 sec 5X w/ BUIS

USE SDPD 'Qual' TARGETS

-Walk Up and check hits with shooters// Remind officers about requirement to zero both sights each shift and maintaining competency with the iron sights.

-25 yardline

- 2 rounds in 3 seconds (10 reps)

-Have shooters maintain a strong ready position. Shooters will shoot course in time given. Hold target for good assessment window.

-10 yardline Rifle Transitions

- 2 Rifle/Transition/ 2 pistol rounds

- 2 reps

-Set up a two round rifle mag and put into the rifle. On the whistle, instruct shooters to shoot the rifle empty, sweep the safety while properly transitioning from rifle to pistol, and fire two rounds from the pistol. Discuss technique and pitfalls if necessary.

16 Rounds (Instructor Discretion)

Drills will vary by class

-Based on groups overall performance, use the remaining rounds to give group specific instruction and drills.

Type 1 and Type 3 Malfunction Clearing

Discuss Type 1 and 3 malfunctions. Work through the clearing process verbally and then allow group to demonstrate proficiency.
