Amplify Development Co. -- Microsoft Teams Meeting/Go To Meeting
RE: A development project in College Area. The project involves the rehabilitation of an existing building at 5505 Lindo Paseo that will more than double the capacity of residents in the property from its existing form. We have already submitted a single disciplinary review for the project (attached, project #676013) and received comments back from Sarah Haiten at the Planning Department. The project as proposed will require a process 1 approval, so it won't be rising to the level of a City Council vote, but they would still like to introduce the item to our office.
