STATEMENT ON SAFEGUARD SAN DIEGO

The item had its second reading at the Rules Committee today and will go the full Council.

San Diego is a wonderful city with incredible potential. As we all know, our streets and sidewalks are in desperate need of repairs. We want to make more investments in our parks. We need more housing and better infrastructure. State funding is critical in helping us make these essential improvements to our neighborhoods.

The Safeguard San Diego Measure will help us make San Diego the city that we all know it can be. I look forward to this measure being forwarded to the full City Council for consideration, and eventually to the voters of San Diego.

Council President Pro Tem Stephen Whitburn represents San Diego's Third Council District, which includes the communities of Downtown, Little Italy, Bankers Hill, Mission Hills, Middletown, Hillcrest, University Heights, North Park, Normal Heights, Old Town, South Park, and Golden Hill.
