Non-Agenda Public Comment

- Three public comments were submitted prior to the meeting and were posted on the website and distributed to the Commissioners. No non-agenda public comment was received during the meeting.

Item 1 - Brief Overview of the Redistricting Process

- Commissioner MacPhail presented an overview of the redistricting process including an explanation of why the boundary lines are redrawn every 10 years, the Commission's responsibilities and parameters, the current timeline, community mapping resources, how residents can get involved, and ways to stay connected to the Commission.

Item 2- Review Rules of the Meeting:

- Chief of Staff Lora Fleming provided a presentation on some basic rules and helpful suggestions for members of the public to follow when providing public testimony. This included limiting comments to 2 minutes, directions for when the speaker is called on, instructions for calling in, and a reminder that commissioners and city staff will not be responding to questions pursuant to the Ralph M. Brown Act.

Item 3- Public Comment

Name:	Organization:	District or Community:	Comments Summary:
Howard Wayne		District 7- Linda Vista	Wants Linda Vista to be reunited into one Council District. Also, Linda Vista should be added with Clairemont in the new district as they share more common problems like affordable housing than with the coastal district.
Corrine Wilson		District 7- Tierrasanta	Wants Tierrasanta to be added with Scripps Ranch because they have more in common than other District 7 communities. Would also want more interaction with Miramar Naval Air Station since they create a great deal of noise in the community with no warning. There are many military families and housing which also connects to Miramar. There are also fire issues at Mission Trails/Santee. Lastly, with Tierrasanta's location, speaker would prefer to be moved west or north if they were to be moved out of District 7.

Item 4- Adjournment

- Chair Hebrank adjourned the meeting at 5:55 p.m. until the next special district meeting scheduled at 5:30 p.m. on August 11, 2021.
