NOTICE - BARRIO LOGAN PLANNING GROUP ELECTION - NOTICE

ELECTION POSTPONED

The Barrio Logan Planning Group is eligible to conduct an election of 7 board members at its March 2021 regular meeting. As required by the By-laws, an election committee was formed at the January meeting. After consideration by the committee as to whether and how the election might be held considering the limitations imposed by the Governor's Emergency Order as a response to the Covid pandemic, their recommendation was to postpone the election. The Election Committee reported their findings at the February 17th meeting of the Planning Group Board which voted to postpone the election.

While the City of San Diego offered the options of conducting the election either by mail-in ballot or electronic ballot, the committee and planning group had concern that given the continuing circumstances of the pandemic, full participation of the community of Barrio Logan could be compromised and therefore unfair to those running for a seat on the board.

The Election Committee remains in place and will consider an alternate date for the election once the Governor's Emergency Order is lifted and it is determined that a safe and fair election can be conducted in Barrio Logan.

Anyone who is a member in good standing of the Barrio Logan Planning Group may run for an open seat on the Board. There are openings in the categories of:

- Business Owner
- Resident
- School/Non-profit

If you would like to be a candidate and are a member of the Planning Group, please send an email stating your interest and you will be added to the ballot. Send your request to mark@mwsteele.com.

THANK YOU FOR YOUR INTEREST IN THE BARRIO LOGAN PLANNING GROUP.
