Future Outlook

• Continue the implementation of ongoing capital improvement projects at all three golf course facilities.

• Continuing to invest in our employees. The Golf Division has recently created a new rewards and recognition program known as the “Ace Award”. This program will allow employees to nominate one another for various categories to recognize exemplary work.

• Issue a new long-term contract for a new food and beverage operation at the Balboa Park Golf Course and Mission bay Golf Course. The Division anticipates that a new contract will result in improvements in the restaurant and club house area.

• Research potential opportunities for salary adjustments to help with current employee recruitment and retention issues.
