M E M O R A N D U M

DATE: May 23, 2022
TO: Distribution
FROM: Alex Garcia, Deputy Director, Engineering & Capital Projects Department
SUBJECT: City of San Diego Construction Restrictions Near Polling Locations

The Registrar of Voters is conducting the **2022 Statewide Direct Primary Election** from **Saturday, May 28, 2022, through Tuesday, June 7, 2022.**

As a result, please postpone or suspend all work within one mile of the nearest polling location that would impact access to polling locations during this timeframe. This includes but is not limited to, trench and utility work, saw cutting and paving. In addition, any private utility work scheduling power outages that would hinder voters from reaching their polling location should be coordinated outside this eleven-day window.

This requirement includes the removal of traffic control that reduces lanes or reduces lane speeds. It also includes the removal of sidewalk closures. Please reference the enclosed list of polling locations in your area.

Please inform your contractors and subcontractors as well as reflect this requirement in your schedules as appropriate. If you have any further questions regarding this requirement, please contact your assigned Resident Engineer.

Thank you,

Alex Garcia
