**Date: Nov. 16, 2022**

**Subject: Planned Service Outage for Online Permits and STRO Applications**

---

Tomorrow, Thursday, Nov. 17, between 7 p.m. and 12 a.m., the Development Services Department (DSD) will conduct a planned service outage to the Online Services citizens portal to install system upgrades that will improve cloud-based electronic permitting and review. During the planned service outage, customers will be unable to apply for permits, load project documents or apply for [Short-term Residential Occupancy](#) applications.

During the planned outage, customers can continue to use online services, including checking on project status, accessing the Zoning and Parcel Informational portal, scheduling inspections, booking virtual appointments or requesting code enforcement investigations -among other services- by visiting [sandiego.gov/DSD](http://sandiego.gov/DSD).

We thank you in advance for your cooperation and ask that you please plan accordingly.

## **2022 California Building Code**

The new 2022 California Building Standards Code will go into effect on Jan. 1, 2023. All construction project applications submitted on or after that date must conform to the new regulations. [Learn more](#).
