

2022 Career & Employment Opportunities for San Diego Youth

The City of San Diego and its community partners are hosting a three-part series to help young San Diegans access job-readiness resources, explore future career pathways and connect with employers.

Are you looking for a full or part-time job? How about an internship? These upcoming events can help get you where you want to go! All youth are welcome.

Participants will be eligible for a free raffle with the chance to win one of 100 laptops!
