Event Information: The Japanese American community annually sponsors a “Day of Remembrance” program to commemorate the signing of Executive Order 9066 by then-President Franklin D. Roosevelt that authorized the removal of Japanese Americans (JAs) from the West Coast. Almost 120,000 JAs were forcibly removed from their homes and communities to be imprisoned during the war. From San Diego, 2000 JAs were expelled from the County. Sadly, in the 1940’s, this action was supported by the SD City Council through Resolutions 76068 and 78313. We hope that you will be able to share greetings from the Community and the Council – and present relevant comments and updates.
