Update on Suspicious Death in Egger Highlands Neighborhood

San Diego – On Saturday, April 16, 2022, just after 10:15 a.m., the San Diego Police Communications Center received a call reporting an unresponsive female had been found in a vehicle at 1600 Bubbling Well Drive in Egger Highlands.

Officers from Southern Division arrived at the location and confirmed the female was obviously deceased in the rear seat of a vehicle parked on the street. The vehicle was registered to the address where it was parked. Officers attempted to speak to a male inside the residence, but he retreated into the home and barricaded himself inside. Officers contained the residence and attempted to negotiate with the male, but he refused to come out. Officers eventually entered the residence and detained the male without further incident.

Due to the suspicious nature of the woman's death, San Diego Police Homicide Detectives were called to the scene and began investigating the incident. While the investigation is ongoing, the exact cause of her death is pending examination and investigation by the San Diego County Medical Examiner, however, no fatal traumatic injuries were noted.

The female has been identified as 68-year-old Malia Henderson. She is the registered owner of the vehicle in which she was found.

The detained male is Henderson's 37-year-old son, Timothy Schulz. He also lives at the address and has been interviewed by detectives.

Anyone with information regarding this incident is encouraged to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
