Police Investigate Two Deaths in Nestor

San Diego – On Friday, October 28, 2022, at approximately 11:00 a.m., the San Diego Police Communications Center received a “report of death” call in the 2300 block of Grove Avenue. Officers from Southern Division responded to the call and located a male and a female inside an apartment. Both were obviously deceased with apparent gunshot wounds. A firearm was located inside the apartment.

The deceased male has been identified, however his name is not being released at this time. He is described as a 20-year-old Hispanic male. He lives at the apartment where he was found.

The deceased female has not yet been positively identified. She is described as a Hispanic female, approximately 18 years old.

San Diego Homicide Detectives responded to investigate. The preliminary information gathered is that witnesses heard gunshots inside of the apartment. Shortly after that, one of the male’s family members entered the apartment and discovered the two bodies. Multiple people then called the police. Based on the initial observations of the officers at the scene, it appears the most likely scenario is that the male shot the female, and then shot himself.

Detectives are working through the scene to gather evidence and interview witnesses. There is no one else outstanding as no one else appears to have been involved in this incident.

Anyone with information regarding this incident is encouraged to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
