# Kiewit

December 6, 2022

To Whom It May Concern:

Kiewit Infrastructure West Co. did not meet the minimum apprentice graduation rate for employed skilled journeypersons for the Field Surveyor/Chief of Party (30%) in the month of October 2022 on the North City Water Reclamation Plant Flow Expansion project. As the project progresses and the amount of available work increases, Kiewit will continue to monitor this goal and work towards meeting the percentage requirement.

Sincerely,

Andrew Peplow

Project Manager
