

STAND-ALONE RESEARCH AND DEVELOPMENT (R&D) CERTIFICATION

Industrial Wastewater Control Program
(858) 654-4100

Applicability: These instructions apply to any industry whose Industrial User Discharge Permit Attachment B, Self Monitoring and Reporting Requirements, includes "Certify stand alone R&D". To report compliance with this requirement, the following statement must be submitted, signed as required in the permit under STANDARD CONDITIONS, Signatory Requirements.

Stand-Alone Research and Development (R&D) Certification: The following statement must be certified and signed by an authorized representative of the industry and submitted with each self monitoring report:

“I certify that to the best of my knowledge and belief, there has been no commercial sale of products during the previous 12 months and no commercial sale is anticipated. If in the future this facility does plan to initiate sale of manufactured parts for profit, I will notify the IWCP and submit a completed SIU Discharge Application and Baseline Monitoring Report no less than 90 days prior to the proposed sale. I am aware of the potential for significant penalties for the submission of false information, including the possibility of fines and imprisonment for knowing violations.”
