To the Honorable Frank P. Frary,

Mayor of the City of San Diego, California.

Esteemed Sir:-

It is respectfully recommended to your Honor that you recommend to the Honorable Common Council of the City of San Diego, California, that they authorize the appointment of a computer in the Engineers Department to compute Street Estimates. This money is simply advanced by the City as all work done in this manner is collected from the contractor in the way of incidental expenses upon the execution of contract for the construction of said work. Salary to be at \$75.00 per month.

Respectfully submitted,

Board of Public Works,

By *F. H. Dixon*
