

CHT WASTE DISPOSAL CERTIFICATION

Industrial Wastewater Control Program
(858) 654-4100

Applicability: These instructions apply to any industry whose Industrial User Discharge Permit Attachment B, Self Monitoring and Reporting Requirements, includes "Certify no industrial through CHT". To report compliance with this requirement, the following statement must be submitted, signed as required in the permit under STANDARD CONDITIONS, **Signatory Requirements**.

CHT Waste Disposal Certification: In lieu of monitoring this wastestream for industrial pollutants, the following statement must be certified and signed by an authorized representative of the industry and submitted with each self-monitoring report form:

“Based on my management of operations at the permitted facility, or my inquiry of the persons so managing, I certify that to the best of my knowledge and belief, no industrial waste has been discharged to sewer through the CHT system during the monitoring period covered by this report. I am aware of the potential for significant penalties for submission of false information, including the possibility of fines and imprisonment for knowing violations.”
