MEASURE

ARTICLE V

EXECUTIVE AND ADMINISTRATIVE SERVICE

SECTION 40: City Attorney

A City Attorney shall be elected for a term of four years in the manner prescribed by Section 10 of this Charter. The City Attorney shall hold office for the term prescribed from and after 10 a.m. on the tenth day of December next succeeding the election and until a successor is elected and qualified. If the tenth day of December falls on a weekend or holiday, the term shall begin at 10 a.m. on the next calendar day that is not a weekend or a holiday.

No person shall serve more than two consecutive four-year terms as City Attorney. If for any reason a person serves a partial term as City Attorney in excess of two years, that partial term shall be considered a full term for purposes of this term limit provision.

The City Attorney shall be the chief legal adviser of, and attorney for the City and all Departments and offices thereof in matters relating to their official powers and duties, except in the case of the Ethics Commission and the Commission on Police Practices, which each shall have its own legal counsel independent of the City Attorney, and in the case of the Office of the City Auditor, which may retain and use independent legal counsel for the City Auditor, the City Auditor's subordinates, and the Audit Committee on the conditions set forth in Charter section 40.2. The attorney and his or her deputies shall devote their full time to the duties of the office and shall not engage in private legal practice during the term for which they are employed by the City, except to carry to a conclusion any matters for which they have been retained prior to

taking office. The City Attorney must be licensed to practice law in the State of California and must have been so licensed for at least ten years at the time he or she submits nominating petitions.

The City Attorney shall appoint such deputies, assistants, and employees to serve him or her, as may be provided by ordinance of the Council, but all appointments of subordinates other than deputies and assistants shall be subject to the Civil Service provisions of this Charter. The City Attorney may appoint no more than six Assistant City Attorneys and four other assistants, who shall serve at the pleasure of the City Attorney and may be removed by the City Attorney at any time.

No Deputy City Attorney, who has served continuously as a Deputy City Attorney in the Office of the City Attorney for one year or more shall be terminated or suspended without good cause, except that any Deputy City Attorney may be subject to layoff due to lack of work or insufficient appropriation to meet the salary requirements necessary to maintain existing personnel in the Office of the City Attorney.

To ensure that Deputy City Attorneys conduct their legal work with the highest level of integrity, honesty, and professionalism, good cause for purposes of termination or suspension includes, but is not limited to, failure to comply with the California Rules of Professional Conduct.

It shall be the City Attorney's duty, either personally or by such assistants as he or she may designate, to perform all services incident to the legal department; to give advice in writing when so requested, to the Council, its Committees, the Manager, the Commissions, or Directors of any department, but all such advice shall be in writing with the citation of authorities in support of the conclusions expressed in said written opinions; to prosecute or defend, as the case may be, all suits or cases to which the City may be a party; to prosecute for all offenses against

the ordinances of the City and for such offenses against the laws of the State as may be required of the City Attorney by law; to prepare in writing all ordinances, resolutions, contracts, bonds, or other instruments in which the City is concerned, and to endorse on each approval of the form or correctness thereof; to preserve in the City Attorney's office a docket of all cases in which the City is interested in any of the courts and keep a record of all proceedings of said cases; to preserve in the City Attorney's office copies of all written opinions he or she has furnished to the Council, Manager, Commission, or any officer. Such docket, copies and papers shall be the property of the City, and the City Attorney shall, on retiring from office, deliver the same, together with all books, accounts, vouchers, and necessary information, to his or her successor in office.

The City Attorney shall have charge and custody of all legal papers, books, and dockets belonging to the City pertaining to his office, and, upon a receipt therefor, may demand and receive from any officer of the City any book, paper, documents, or evidence necessary to be used in any suit, or required for the purpose of the office.

The City Attorney shall apply, upon order of the Council, in the name of the City, to a court of competent jurisdiction for an order or injunction to restrain the misapplication of funds of the City or the abuse of corporate powers, or the execution or performance of any contract made in behalf of the City which may be in contravention of the law or ordinances governing it, or which was procured by fraud or corruption.

The City Attorney shall apply, upon order of the Council, to a court of competent jurisdiction for a writ of mandamus to compel the performance of duties of any officer or commission which fails to perform any duty expressly enjoined by law or ordinance.

The City Attorney shall perform such other duties of a legal nature as the Council may by ordinance require or as are provided by the Constitution and general laws of the State.

The Council shall have authority to employ additional competent technical legal attorneys to investigate or prosecute matters connected with the departments of the City when such assistance or advice is necessary in connection therewith. The Council shall provide sufficient funds in the annual appropriation ordinance for such purposes and shall charge such additional legal service against the appropriation of the respective Departments.

Effective December 10, 2020, the salary paid to the City Attorney will be equal to the salary prescribed by law and as adjusted by law for judges of the Superior Court for the State of California, provided that the salary of the City Attorney may not be decreased during a term of office.

Whenever a vacancy exists in the office of the City Attorney, an Assistant City Attorney, previously designated by the City Attorney to fulfill duties in the event of a vacancy and whose name has been recorded with the City Clerk as the Interim City Attorney in the event of a vacancy, shall fulfill the duties of the City Attorney as the Interim City Attorney until a replacement can be appointed or elected as provided by this Charter. The Interim City Attorney shall have the full authority of the Office.

SECTION 40.1 [NO CHANGE IN TEXT.]

SECTION 40.2: Legal Counsel for the Office of the City Auditor and Audit Committee

The Office of the City Auditor, acting through the City Auditor, may retain and use legal counsel, independent of the City Attorney, for legal support and advice in audits, investigations, and related activities within the authority and duties of the Office of the City Auditor, subject to the limitations set forth in this section.

The Office of the City Auditor must retain independent legal counsel by contract approved by the City Council in a manner consistent with the Charter, including the City's required competitive procurement processes and other applicable laws. The City Council has

discretion to determine and appropriate funding for the Office of the City Auditor's independent legal counsel. The City Council is not mandated to provide any minimum level of funding for the independent legal counsel on an annual or regular basis and must determine funding consistent with the City Council's budgetary authority under the Charter. The City Council may, by ordinance, establish additional rules and procedures to implement this section.

Before the Office of the City Auditor may use the independent legal counsel who is under contract, the Audit Committee must determine that the use on an audit, investigation, or related activity is within the "public interest," as that term is defined by generally accepted government auditing standards promulgated by the United States Government Accountability Office or successor agency.

The Audit Committee may use retained independent legal counsel under the conditions set forth in this section for legal support and advice related to the Audit Committee's oversight responsibilities.

Independent legal counsel retained and used under this section will only be responsible for legal support and advice related to those activities within the authority of the Office of the City Auditor, acting through the City Auditor, and the Audit Committee's oversight responsibilities. Any attorney-client relationship between independent legal counsel and the City Auditor, the City Auditor's subordinates, and the Audit Committee must be formed in a manner consistent with California law and the Rules of Professional Conduct of the State Bar of California.
