Project: Morena North Conveyance

Subject: Skilled and Trained Work Force Plan to Achieve for July 2023

Dear Ms. Fields-Bernard,

This letter will serve as OHLA's plan for the month of July 2023 to achieve the Skilled and Trained Work Force requirements for the Morena Conveyance North Project.

OHLA will ensure that the necessary number of Apprentice Graduate Journeymen are available to meet the goal. Ohla will dispatch Graduates from the Laborers union as more works join the project, and two of the existing employes will join the edited Apprenticeship Program. However, in the month of June, the goal of achieving 60% was not accomplished. In terms of Operators, OHLA will continue to request Apprentice Graduates when dispatching them to ensure the requirement is achieved. For this month, the 30% requirement was met.

If you have any questions or concerns, please feel free to contact me at (858) 316-6445.

Regards,

Nicolas Vintimilla Field Engineer OHLA USA, Inc.
