Elizabeth Shearer-Nguyen  
Program Manager  
Development Services Department  
City of San Diego

Last night, at a regular meeting of the Uptown Planners Community Planning Group, our board directed me to request that the following statement be routed to all of the members of the Historical Resources Board:

**Uptown Planners supports the October 25th preliminary response of the Neighborhood Historic Preservation Coalition concerning the July 18<sup>th</sup> Independent Budget Analyst report, "Response to Request for Analysis of Potential and Designated Historical Resource Review."**

**The NHPC's recommendations represent the collective agreement of multiple groups with a record of informed advocacy, including the Save Our Heritage Organisation, Mission Hills Heritage, University Heights Historical Society, San Diego LGBTQ Historic Sites Project, North Park Historical Society, Golden Hill & South Park Historical Society, Heart of Kensington, Historic Kensington, Talmadge Historical Society, Ocean Beach Historical Society, and La Jolla Historical Society.**

All of the members of the HRB should be made aware, by means of you sharing this letter, that this statement was unanimously approved.

If you have any questions, please contact me.

Best regards,
