

## Declaration: Eligibility for Processing as a Post-Entitlement Phase Permit Housing Project (AB 2234)

This affidavit is for the property owner to affirm compliance with the regulations that govern eligibility for special processing timelines that apply to certain projects as described in [Assembly Bill 2234](#) as it amended the California Government Code.

I am the Owner of the Premises located at:

Street Address: \_\_\_\_\_

Assessor Parcel Number (APN): \_\_\_\_\_

I am seeking a Post-Entitlement Phase Permit or permits for a project that meets the eligibility criteria contained in [Assembly Bill 2234](#) as it amended the California Government Code and, by signing this declaration, I state that the Project meets each of those eligibility criteria. I also acknowledge that, if my project does not in fact meet the eligibility criteria, the City may require that my application be re-submitted and my review process re-initiated and that, if my project scope changes in a way that renders it no longer eligible, I have a responsibility to inform the City. I provide the following information to describe further how the Project complies with the relevant regulations and acknowledge my obligations with respect to the Project.

A. The Project meets all applicable eligibility qualifications:

i. The development activity covered by this Project required entitlements (discretionary permits) that have been approved. The discretionary project number(s) (PTS- or PRJ-) is/are. And the approved permit(s) is/are: \_\_\_\_\_

- Planned Development Permit
- Site Development Permit
- Neighborhood Development Permit
- Neighborhood Use Permit
- Conditional Use Permit
- Vesting Tentative Map
- Tentative Map
- Coastal Development Permit
- Variance
- Other \_\_\_\_\_

and

ii. The project conforms with one of the following (check one):

The project creates two or more new dwelling units (not including accessory dwelling units or junior accessory dwelling units), is wholly comprised of residential uses, and is not a single dwelling unit project.
