RE: MBC Improvements (K-21-1867)

To Whom it May Concern:

Penhall Company did not meet the minimum requirements of the Skilled and Trained workforce for the month of July 2023, for the Metro Biosolids Center Improvements Project. We were hired for a certain scope of work and dispatched out the employees we had available at the time. In the future we will be more conscious of the project requirements and try to dispatch out more apprentice graduates.

Sincerely,
