Hello Everyone,

I want to let everyone know that the Miramar Ranch North Maintenance Assessment District Subcommittee meeting normally scheduled for Tuesday February 6 is postponed.

I will update everyone once we determine when the next meeting will be held. The next regularly scheduled meeting would occur in May, however it's likely we will meet before then.

I will be providing the staff report on Monday with updates on the District from Saul Lopez. He is currently on call with the Emergency Response Team dealing with matters around the city impacted by the recent and ongoing heavy rains.

Also, of note, the City still has not formally approved the Landscaping Maintenance Contract however we are not experiencing any major budget issues at this time. If the rains continue as they have, we will probably continue to save some money this year on water, although there have been some necessary irrigation repairs that offset those savings to some extent.

~Sincerely,
Thomas Leeman
MAD Subcommittee Chair
Miramar Ranch North Planning Committee
