Subject: Skilled and Trained Work Force Plan to Achieve for December 2023

Dear Ms. Fields-Bernard,

This letter will serve as OHLA's plan for the month of January 2024 to achieve the Skilled and Trained Work Force requirements for the Morena Conveyance North Project.

This letter will serve as OHLA's plan for the month of December 2023 to achieve the Skilled and Trained

Work Force requirements for the Morena Conveyance North Project. OHLA will ensure that the necessary number of Apprentice Graduate Journeymen are available to meet the goal. OHLA will dispatch Graduates from the Laborers union as more works join the project, and two of the existing employes will join the edited Apprenticeship Program. However, in the month of December, the goal of achieving 60% was not accomplished. In terms of Operators, OHLA will continue to request Apprentice Graduates when dispatching them to ensure the requirement is achieved. For this month, the 30% requirement was met.

If you have any questions or concerns, please feel free to contact me at (858) 316-6445.

Regards,

Nicolas Vintimilla Field Engineer OHLA USA, Inc.

RE: City of San Diego Project Labor Agreement

Dear Miss:

This is to inform of FM General Engineering's plan to attempt to meet the Skilled and trained work for requirement for the project for the month of December-2023. Currently Adrian Flores has been our primary employee on the Morena Conveyance North Project. Adrian meets the skilled Journeyperson requirements for on-the-job hours equal or equivalent to the apprenticeship training hours. FM General Engineering will try to dispatch a welder that meets the apprenticeship graduate requirement. If a second welder will be required on site, in the coming months.

Sincerely,

Javier Magana Engineer/Assistant Superintendent FM General Engineering Inc. 951) 616-7989 Javier.Magana@FMGeneralEngineering.com
