CONSTRUCTION NOTICE:

Upcoming Work at Morena Boulevard and Sherman Street

Starting Feb. 29, 2024, crews on the Morena Conveyance South & Middle and Conveyance Bike Lanes Project will begin work to install two major pipelines through the Morena Boulevard and Sherman Street intersection. Phased construction is scheduled through March 2024 with full intersection closures occurring 24 hours per day on weekends and nighttime construction on weekdays.

What to Expect:

Crews will be working in the intersection of Morena Boulevard and Sherman Street to install two major pipelines as part of the City of San Diego's Pure Water San Diego Program. The work will be phased over several weekends, and two weeks of nighttime work. Traffic control will be in place to ensure public safety and give crews a safe space to work. Access for businesses and residents will be maintained, with detours in place during weekend work. For your safety, please follow all posted signage including posted detours. Please plan extra time when traveling in the area to accommodate for traffic delays, and please anticipate construction noise and overnight construction. Access for emergency vehicles will be maintained at all times.

Construction Schedule:

Crews will be working through March to complete the work as efficiently and safely as possible. The schedule below is subject to change and any schedule changes will be communicated to impacted stakeholders.

Feb. 29–March 4, 2024: Full intersection closure from 8 p.m. on Thursday, Feb. 29 to 5 a.m. on Monday, March 4, where detours will be in place. Crews will be working 24 hours per day through the weekend.

March 4-8, 2024: Partial intersection closure from 8 p.m. on Monday, March 4 to 5 a.m. on Friday, March 8. Construction is scheduled for four nights from 9 p.m. to 5 a.m. Lanes will be limited, but traffic will be maintained through Morena Boulevard and Sherman Street.

March 8-10, 2024: No scheduled construction; intersection will be open to traffic.

March 11-15, 2024: Partial intersection closure from 8 p.m. on Monday, March 11 to 5 a.m. Friday, March 15. Construction is scheduled for four nights from 9 p.m. to 5 a.m. Lanes will be limited, but traffic will be maintained through Morena Boulevard and Sherman Street.

March 15-18, 2024: Full intersection closure from 5 a.m. on Friday, March 15, to 5 a.m. on Monday, March 18, where detours will be in place. Crews will be working 24 hours per day through the weekend.

March 18-21, 2024: No scheduled construction; intersection will be open to traffic.

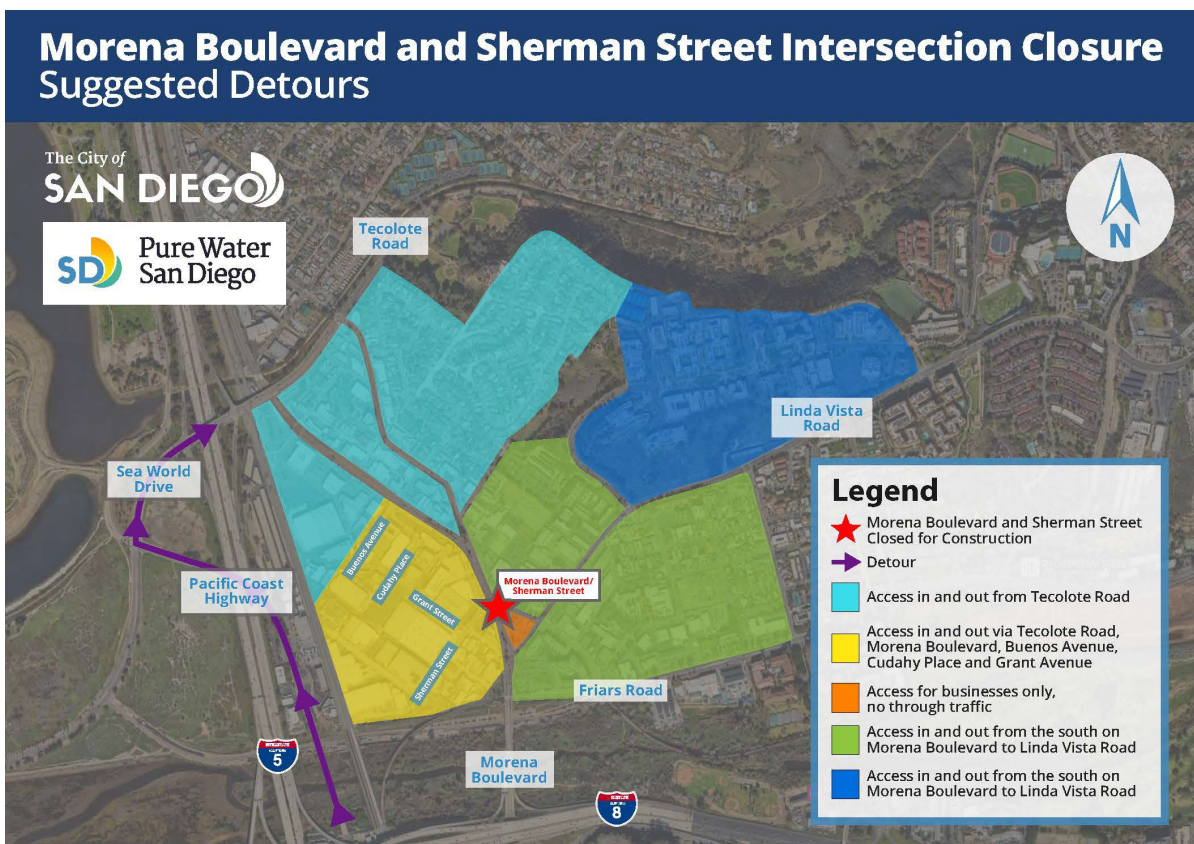

March 21-25, 2024: Full intersection closure from 8 p.m. on Thursday, March 21, to 5 a.m. on Monday, March 25, where detours will be in place. Crews will be working 24 hours per day through the weekend.

Please contact purewatersd@sandiego.gov or 833-MOR-PWSD (833-667-7973) with questions about the City's Pure Water Program and the Morena Conveyance South & Middle and Conveyance Bike Lanes project, and a team member will get back to you within one business day.

Thank you for your patience and understanding as we make progress on this important project.

Access Map:

The map below outlines the routes for vehicles to access the areas around the work zone. These detours will be in effect **during weekend full closures only**. The intersection will be open to traffic when crews are not working.

Why:

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.
