SDPD Seeks Information on Series of Tire & Wheel Thefts

SAN DIEGO- San Diego Police detectives are currently investigating a series of related tire and wheel thefts and are asking for help from the community. Detectives are investigating 25 cases that have been reported since January. Cases have been reported in San Diego, Carlsbad, Oceanside, San Marcos and Escondido.

The thefts involve tires and wheels being removed from vehicles parked on the street or in parking lots at night. The majority of vehicles being targeted include Toyota TRD style trucks and 4-Runners.

Anyone with information about the crimes or persons involved should contact the San Diego Police Department's Northeastern Division at (858) 538-8026 or Crime Stoppers at (888) 580-8477
