

Please join us to learn more about the City's draft [Mobility Master Plan](#). This plan will help the City create equitable and sustainable mobility for all, and we would love to hear your feedback.

Here are the upcoming dates and library locations where City staff will be available to provide insights and answer questions about the plan. These library events will be held in an "open house" format where you can drop by any time during the scheduled time period to learn more about the Mobility Master Plan. Spanish translation will be available at all events.
