

## DRAFT for PAB Consideration

### MEMORANDUM

DATE: [xxx]  
FROM: City of San Diego Privacy Advisory Board  
TO: The Honorable Council President Elo-Rivera and Members of the San Diego City Council  
RE: San Diego Police Department Use Policies for Mission Bay and Ocean Beach UASI Camera System

#### I. SUMMARY

The Privacy Advisory Board (“PAB”) recommends that the City Council approve the proposal related to the above-referenced technology.

#### II. RECOMMENDATION

**The PAB recommends that the City Council approve the proposal.**

#### III. DISCUSSION

The PAB compared the beach camera data from other large metropolitan areas with surveillance systems, bringing context to the decision to modernize the City of San Diego’s surveillance capabilities:

San Clemente, CA – Beach Camera for major incident response

Long Beach, CA – Beach cameras for major incident response

New York, NY – \$398.4 million budget and UASI Surveillance Cameras in that budget for counter-terrorism and crime prevention

Boston, MA – \$3.1 million dedicated to UASI Surveillance Cameras for major incident response and threat operations.

For the above stated reasons, the Privacy Advisory Board recommends that the City Council **approve the proposal** above.
