

Several organizations in the City of San Diego will accept specific excess edible food donations. These organizations may be able to accept baked goods, dairy, fresh produce, meat/proteins, shelf-stable products, frozen food and/or prepared food. Please contact the organizations directly to verify types of food accepted, information on their requirements and to arrange accepted food drop-offs or pickups. If your organization would like to be added to this list, please contact [sdrecyclingworks@sandiego.gov](mailto:sdrecyclingworks@sandiego.gov).

## Additional Resources

| Name                     | Website          | Services   |
|--------------------------|------------------|--|
| A.B. Jones & Co.         | N/A              | A.B. Jones & Co. provides food recovery services by transporting food from businesses to a non-profit food recovery organization.<br>T: 619-549-3587<br>E: Andre@abjonesco.com   |
| Carelt                   | careit.com       | Careit is a food donation and rescue software that makes it easy for businesses and institutions to donate surplus food and goods directly to local non-profits.   |
| Copia                    | gocopia.com      | Waste less. Feed more. Copia's technology allows businesses to donate excess food safely, access enhanced tax deductions, and receive robust data to inform food purchasing decisions.   |
| Food Donation Connection | foodtodonate.com | Food Donation Connection provides an alternative to discarding surplus wholesome food by linking food service donors with surplus food to local hunger relief agencies.  |
| Goodr                    | goodr.co         | The Goodr model provides the technology and logistics to track an organization's surplus food from pickup to donation, delivering real-time social and environmental impact analytics.   |
| MealConnect              | mealconnect.org  | MealConnect is part of Feeding America, the nation's largest hunger relief organization. Their network comprises thousands of local non-profits responding to businesses' donation posts.  |
| Replate                  | replate.org      | Replate's patented technology facilitates food donation by connecting organizations with surplus food to communities facing food insecurity. With a tap of a finger you can increase food access, reduce waste, decrease carbon emissions, and save water. |
| Too Good To Go           | toogoodtogo.com  | Thousands of businesses use Too Good To Go to put their surplus straight into the hands of happy customers, generate extra income, and give good food a second chance!   |
