Night Work to Move Traffic Control Tonight

Tonight, Wednesday 2/28, crews on the Morena Conveyance South & Middle and Conveyance Bike Lanes Project will be moving traffic control (cones, barriers and signage) north along Clairemont Drive. When installed, the traffic control will be between Rappahannock Ave. and just south of Dakota Dr.

This work must be done at night when traffic volumes are lower so crews can safely work in the roadway. Crews will use heavy machinery to move some of the traffic control, so there will be an increase in noise for tonight's work. After this work is done, street parking will be reopened on Clairemont Dr. between Calle Neil and Iroquois Ave.

Visit the project website for more information

**Safety of the construction crews and community is our top priority.
Please slow down near work sites and follow pedestrian instructions.**

About Pure Water San Diego

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. Pure Water San Diego will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

Phase 1 includes several projects that will clean recycled water to produce 30 million gallons per day (mgd) of high-quality purified water, reducing the City of San Diego's dependence on imported water.
