Upcoming Night Work on Clairemont Drive

Starting on Sunday night, March 17, crews will be performing one week of night work to install pipeline on Clairemont Dr. near Whittier K-12 School and the YMCA Skate and Bike Park.

This work must be done at night in order to keep the driveway to the YMCA Skate and Bike Park open to traffic during its business hours.

Crews will be working Sunday night through Thursday night from 9 p.m. to 5 a.m. to complete this portion of work. Normal daytime working hours will resume on Monday, March 25.

Traffic control will be in place to ensure public safety and give crews a safe space to work. Please abide by all signage and crew directions when driving through the work zone. Access for emergency vehicles will be maintained at all times.

Visit the project website for more information

**Safety of the construction crews and community is our top priority.
Please slow down near work sites and follow pedestrian instructions.**

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. Pure Water San Diego will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

Phase 1 includes several projects that will clean recycled water to produce 30 million gallons per day (mgd) of high-quality purified water, reducing the City of San Diego's dependence on imported water.
