VIII. STATUS OF COMPLIANCE WITH CODE SECTION 33334.16

Code section 33334.16 requires that the Housing Successor initiate affordable housing development activities regarding real property acquired before February 1, 2012, using moneys from the former Low and Moderate Income Housing Fund, within five years from the date the property was acquired. The five year period may be extended for an additional five years by a resolution adopted by the local agency's legislative body. Pursuant to Code section 34176.1(e), these time periods are deemed to commence as of the date the Department of Finance approved the real property as a housing asset, which occurred on January 4, 2013, for all housing assets transferred to the Housing Successor. These five year time periods apply only to interests in real property acquired by the former redevelopment agency with moneys from the former Low and Moderate Income Housing Fund before February 1, 2012.

The City Council adopted Resolution R-311416, effective November 20, 2017, extending the time period to initiate affordable housing development activity on remaining real property housing assets acquired before February 1, 2012, using moneys from the former Low and Moderate Income Housing Fund, for an additional five year period, until January 3, 2023.

The following table provides a status update on the properties acquired by the former redevelopment agency using moneys from the former Low and Moderate Income Housing Fund prior to February 1, 2012:

IX. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO SECTION 33413

Replacement Housing: The former Redevelopment Agency did not have any replacement housing obligations at the time of dissolution.

Inclusionary / Production Housing: Code section 34176.1(f)(9) does not specify whether inclusionary and production housing obligations should be reported by individual redevelopment project areas or aggregated without regard to project areas. If viewed in the aggregate, there are no outstanding inclusionary or production obligations. If this obligation is reported by project areas, as of February 1, 2012, the production obligation totals were 86 very low income and 79 low/moderate income units in Southeastern San Diego, College Community, Crossroads, Grantville and Naval Training Center project areas, collectively. In fiscal year 2015, COMM22 was completed and contributed 9 very-low income units toward the outstanding obligation. In fiscal year 2016, Alpha Square was completed and contributed 59 very-low income units toward the outstanding production obligation. In fiscal year 2017 Atmosphere was completed and contributed 18 very-low income units and 79 low/moderate income units toward the outstanding production obligation. Therefore, the total outstanding production obligation for all project areas has been completed. The following table provides a status of outstanding obligations pursuant to Code section 33413.

X. STATUS OF COMPLIANCE WITH CODE SECTION 34176.1(a)(3)(B) AND (C)

Code section 34176.1(a)(3)(A) requires that at least 30% of the funds remaining in the LMIHAF after the expenditures allowed pursuant to Code section 34176.1(a)(1) and (2) be expended for development of housing affordable to and occupied by households earning 30% or less of the area median income (Extremely-Low Income Housing). Under Code section 34176.1(a)(3)(B), if the Housing Successor fails to comply with this Extremely-Low Income Housing requirement in any five year report beginning with the five year report to be issued in 2019, then the Housing Successor must ensure that at least 50% of the remaining LMIHAF expended in each fiscal year following the latest fiscal year following that five year report are expended for the development of Extremely-Low Income Housing until the Housing Successor demonstrates compliance with the Extremely-Low Income Housing requirement in an annual report.

For informational purposes, the following provides the status of the Housing Successor’s compliance with the Extremely-Low Income Housing requirement as of the seventh year ending June 30, 2023 (includes Fiscal Years 2019 through 2023):

Extremely-Low Income Test	
Five Year Test	LMIHAF
Extremely-Low Income Units	\$ 15,388,983
Total Expenditures for Low Income Units	32,032,719
Extremely-Low Income Test	48.0%

XI. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former Redevelopment Agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former Redevelopment Agency and/or City within the same time period. Under Code section 34176.1(b), if this percentage exceeds 50%, then the Housing Successor cannot expend future funds to assist additional senior housing units until the City, in its capacity as the Housing Successor or as host jurisdiction, assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units assisted by the Housing Successor, the former Redevelopment Agency and/or City within the time period described above.

The following table provides the Housing Successor’s Senior Housing Test for the 10 year period from July 1, 2014 to June 30, 2023:

Senior Housing Test	Fiscal Year 2014- Fiscal Year 2023
# of Assisted Senior Rental Units	1,130
# of Total Assisted Rental Units	6,381
Senior Housing Percentage	17.71%

XII. EXCESS SURPLUS TEST

“Excess surplus” is defined in Code section 34176.1(d) as an unencumbered amount in the LMIHAF exceeding the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the LMIHAF during the Housing Successor’s preceding four fiscal years. Code section 34176.1(d) does not indicate whether “preceding four fiscal years” includes the Fiscal Year for which the excess surplus is being calculated (e.g., whether fiscal years 2014-2017 or fiscal years 2015-2018 period is the appropriate four year period for calculating the excess surplus existing at the close of fiscal year 2018). To address this ambiguity, the Housing Successor relies on the context provided by Code Section 33334.12(g) governing calculation of excess surplus for the former Low and Moderate Income Housing Fund held by the former redevelopment agency prior to redevelopment dissolution, which provides in relevant part:

“Excess surplus” means any unexpended and unencumbered amount in the agency’s Low and Moderate Income Housing Fund that exceeds . . . the aggregate amount deposited into the Low and Moderate Income Housing Fund . . . during the agency’s preceding four fiscal years. The first fiscal year to be included in this computation is the 1989-90 fiscal year, and the first date on which an excess surplus may exist is July 1, 1994. (Code section 33334.12(g)).

Under Code Section 33334.12(g), the deposits made during the four fiscal years preceding the fiscal year for which the excess surplus is being calculated are included in the calculation. While Code section 34176.1(d) does not include a similar example, the absence of any evidence of legislative intent to change the applicable four year period calculation of the LMIHAF excess surplus indicates that it should be using the same four year period provided in Code section 34176.1(d).

As the general purpose of the excess surplus calculation is to ensure that money in the LMIHAF is timely expended for low-income housing purposes, the best practice for the Housing Successor is to expeditiously encumber or expend money currently on deposit in the LMIHAF.

As of June 30, 2023, the Housing Successor does not hold any excess surplus in the LMIHAF, as demonstrated in the following table:

Excess Surplus Test	Deposits	Unencumbered
FY 2023 Unencumbered		\$ 20,703,885
FY 2019 Deposits	5,193,973	
FY 2020 Deposits	4,063,681	
FY 2021 Deposits	16,788,291	
FY 2022 Deposits	6,556,566	
Total Deposits - Four Preceding Years		32,602,511
Excess Surplus Calculation		(11,898,626)

XIII. INVENTORY OF HOMEOWNERSHIP UNITS

** The former RDA sought to complete site assembly of the block bounded by Market Street, 13th, Island, and 14th for redevelopment purposes, including development of affordable housing. On this Schedule A, the former RDA's site assembly included those properties identified as 1343-35 Market Street, 529 13th Street, 533 13th Street, 1301 & 1317 Market Street, and 1325-33 Market Street ("Site"). The former RDA was unable to complete acquisition of one approximately 3,000 sf parcel which remains in private ownership. In addition, the former RDA did not acquire, but facilitated the development of the southern 20,000 square feet of the block through an Owner Participation Agreement which resulted in a 77-unit affordable project. The City, as Housing Successor, initiated affordable housing development activities for the Site through execution of a DDA for development of the Alpha Square project, a 203 unit affordable housing project which was completed in 2016. It was originally envisioned that the balance of the site would be sold to be developed for market rate housing with net sales proceeds deposited to the LMIHAF. However, in light of changes to the SLA prioritizing affordable housing, the City intends to issue an RFP for the balance of the Site, including addresses 529 13th, 533 13th, 1301 & 1317 Market, and 1325-33 Market, in 2024 seeking a project with at least 40% of the residential units affordable in compliance with SLA exemption GC 54221(F)(1)(A).
