The City of San Diego's Storefront Improvement Program (SIP) aims to revitalize neighborhoods by assisting businesses with projects that improve their building's curb appeal. SIP offers financial incentives and free professional façade design assistance to owners, encouraging private investment in their community and local economy.

By checking the following improvements, I approve of my tenant making them to the property described above. Improvements could involve restoration, replacement, or new applications of the items listed below:

- Awnings
- Windows
- Doors
- Lighting
- Paint
- Landscaping
- Signs
- Tile or other decorative material
- Sidewalk café or outdoor operations component(s)
- Removal of security bars
- Correction of code-compliance violations

The first phase of participating in the City of San Diego's Storefront Improvement Program involves creating a design concept. I would like to see the final drawing created for that purpose, as indicated by my email address: _____

I certify that information on this form is true and correct.
