

Attachment 1: Hillcrest Focused Plan Amendment Text Edits

- Corrected Figure 8-1: Parks, Recreation Facilities and Open Space on page RE-203 to include Normal School Dog Park, Existing Joint Use Area (Attachment 1).
- Corrected Figure 12-1: Page IM-299 to correct street naming of “Blaine Ave” to “Harvey Milk St” (Attachment 2).
- Revised Section 3.2 Bicycling in the Mobility Chapter, Page MO-69: “Implementation of projects may be determined through feasibility studies and could include near and long term measures such as diverters, ramp closures, traffic circles, lane reduction, one-way conversion, and speed reduction, raised speed cushions, and similar traffic calming measures”.
- Added new policy on page EP-171: EP-2.7 Continue to provide opportunities for the weekly Farmer’s Market and other community events to continue operating at the same location, where appropriate.
