GETTING IT DONE

Arbor Day

May 9, 2024 | Logan Heights

The City celebrated Arbor Day in Logan Heights with a launch of new programs aimed at planting trees across the City as part of an effort to expand San Diego's urban forest!

Sunny Boy Floyd Day

May 14, 2024 | City Hall

Floyd is a fun, loving Golden Retriever who is a therapy dog! He was trained by a local nonprofit, Love on A Leash, to be one of San Diego's BEST therapy dogs. Therapy dogs play a vital role in enhancing the wellbeing of individuals across all walks of life.

Travis Knowles Day

May 21, 2024 | City Hall

As my Chief of Staff, Travis has dedicated his time at City Hall to uplifting and improving the lives of the residents of District 8 for the last 13 years. And of course, he has provided great leadership within my office! D8 will miss you!

SDPD Communications Center

May 22, 2024 | Downtown San Diego

Captain Hara and his team gave my staff and I a tour of the San Diego Police Department's Communications Center! It was very cool to see the dispatchers answer emergency and non-emergency calls live!

CITY HALL UPDATES

SD Housing Commission Assistance for Flood-Affected Households

If you or someone you know were affected by the recent storms and associated impacts including flooding—resources are available to assist you.

Financial Assistance for ETLP Families from the City of SD who were ineligible for FEMA

- Assistance for one move for the household, such as:
 - Application Fees
 - Security Deposit (up to two months)
 - Storage Costs
 - Hotel Expenses (up to two weeks for families that executed a lease and awaiting the unit's availability)
 - Moving Costs
 - Up to six months of rent
 - Landlord Leasing Bonus
- Assistance is subject to funding availability.
- Eligibility
 - City of San Diego household eligible for and currently residing in County's ETLP
 - Ineligible for assistance from Federal Emergency Management Agency (FEMA)
 - Avoid duplication of benefits
 - Avoid risk of disqualification from ongoing FEMA assistance
 - Assistance from SDHC's program may adversely affect a family's continuing eligibility for further FEMA assistance.
 - FEMA may provide a larger total amount for up to 18 months.

Landlord Housing Restoration Assistance

- SDHC is exploring a contract with a local nonprofit organization to administer this initiative.
- The nonprofit's responsibilities would include:
 - Assess flood damage at housing units.
 - Contract with labor to complete necessary repairs to restore the unit and make it habitable.
- SDHC would provide funds from the County to the nonprofit to cover costs for labor and materials.
- Assistance is subject to funding availability.
- The landlord is required to lease the repaired unit to the family that previously occupied the unit.
 - If the previous tenant declines the unit, the landlord is required to rent to another City of San Diego family eligible for and participating in the County ETLP.
- Restrictions on lease terms and contract rent would apply to ensure the displaced family does not experience significant changes to their contract rent amount.

SDHC Housing Unit Search Assistance

- All City of San Diego households eligible for and participating in the County's ETLP can receive housing search assistance from SDHC.
- SDHC staff experienced in housing searches for other programs will identify available rental housing units within the County of San Diego.
- Housing search workshops conducted to share basics of searching and locating a rental housing unit and information about online leasing platforms.
- Landlords encouraged to list their available units at affordablehousing.com
