The City of

*Completing our Water Cycle, Securing our Future*

## NIGHT WORK REMINDER

### **Morena Conveyance South & Middle and Morena Conveyance Bike Lanes Project**

Within the next week, the City of San Diego will begin nighttime pipeline construction on your block as part of the **Morena Conveyance South & Middle and Morena Conveyance Bike Lanes** project.

#### **What to Expect:**

- Installing beams to prepare for future pipeline installation
- One lane in each direction will be maintained, but please follow all traffic control and signage
- Access will be maintained for all businesses, residences and emergency vehicles; crews will accommodate all necessary driveway access
- Please be advised that construction may be loud overnight

#### **Anticipated Construction Schedule:**

Work will take place at night between 9 p.m. and 5 a.m., Sunday night through Thursday night. This phase of work is expected to last approximately two weeks.

#### **About Pure Water San Diego:**

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.
