ENVIRONMENTAL DETERMINATION

CITY PLANNING DEPARTMENT

PROJECT NAME/NUMBER: Special Use Permit – Senior Lunch Services at Park De La Cruz Community Center
COMMUNITY PLAN AREA: Mid-City
COUNCIL DISTRICT: 9
LOCATION: 3901 Landis Street, San Diego, California 92105

PROJECT DESCRIPTION: Special Use Permit between the City of San Diego (City) and Serving Seniors, a non-profit organization (Permittee). Permittee will deliver health meals to the premises each weekday and serve healthy meals for lunch services and cleanup at the conclusion of each day's lunch service.

ENTITY CONSIDERING PROJECT APPROVAL: City of San Diego

ENVIRONMENTAL DETERMINATION: Categorically exempt from CEQA pursuant to State CEQA Guidelines Section 15301 (Existing Facilities) and 15323 (Normal Operations for Public Gatherings).

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego Mayor-Appointed Designee.

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION:

The City of San Diego conducted an environmental review that determined the project would not have the potential for causing a significant effect on the environment pursuant to State CEQA Guidelines Section(s) 15301 (Existing Facilities) which consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use; and Section 15323 (Normal Operations of Facilities for Public Gatherings) which consists of the normal operations of existing facilities for public gatherings for which the facilities were designed, where there is a past history of the facility being used for the same or similar kind of purpose. The exceptions listed in CEQA Guidelines Section 15300.2 would not apply in that no cumulative impacts were identified; no significant effects on the environment were identified; the project is not adjacent to a scenic highway; no historical resources would be affected by the action; and as to the exception for hazardous materials, there was one location listed on EnviroStor within 1,000 feet of the premises. While this location is listed, the proposed project would not involve ground disturbance which would expose potential hazardous materials, and as such would not preclude the use of a CEQA exemption pursuant to Section 65962.5 of the Government Code.
