Cesar and Purita discussed a home business in a residential neighborhood is putting out air borne pollutants that they felt were harming the air they breathe. Issue occurring in City Heights neighborhood. There has been Code Inspectors out and they were referred to Air Pollution control. They just wanted us to know and be aware that this could happen in our neighborhood. They have discussed with the County.
- III. Project Review
  - None
- IV. Discussion Item
  - A. Change in meeting venue?

Some discussion. If we had only on-line then what to do about folks that do not use zoom and attend meetings. General consensus is to have both on-line and in person.
