The Franchise includes the authority to Collect, transfer, transport, and Dispose of or Recycle Solid Waste from multi-family residences and from residences located on private streets. The Franchise excludes Solid Waste the City is required to Collect under the People's Ordinance codified at San Diego Municipal Code section 66.0127 and other items described in Section 3.5 above.

This grant is pursuant to the Franchisee's application for the Franchise, which application is incorporated herein by this reference. The Franchisee is subject to the terms and conditions specified in Sections 103 & 105 of the Charter of the City, the provisions of Chapter 6, Article 6, Sections 66.0101 et seq. of the San Diego Municipal Code as currently enacted and as may be amended, modified, renumbered, supplemented, replaced, or superseded from time-to-time, the terms and conditions specified in all related ordinances and resolutions, all Environmental Laws, the terms and conditions of this Agreement and all amendments thereto, and the representations and assurances in Franchisee's application for the Franchise.

Franchisee shall comply with the City Recycling Ordinance [City Recycling Ordinance], codified as San Diego Municipal Code Sections 66.0701 – 66.0718, the Construction and Demolition Debris Diversion Deposit Program Ordinance [C&D Ordinance], codified as San Diego Municipal Code Sections 66.0601 – 66.0610, as currently enacted and as may be amended from time-to-time, and all applicable laws and regulations including, but not limited to, AB 341, AB 876, AB 901, AB 939, AB 1594, AB 1826, SB 1383, and other current or future federal, State, or local regulations, as amended. Additionally, the Franchisee shall

provide to the Director with each quarterly tonnage report information deemed necessary by the Director in order to validate the tonnages reported by the Franchisee including, but not limited to, for each multi-jurisdictional load: 1) number of Collection points, Container size, and frequency of Collection, by jurisdiction, and 2) total tonnage of each multi-jurisdictional load.

4.2 Franchise Fees

Franchisee agrees to pay to the City a Franchise Fee, in the amount Council approved for Class II Franchisees, on all Solid Waste Collected in the City, regardless of the location of the Disposal Site. The Franchise Fee may be modified in the amount and manner of payment at any time during the term of this Agreement by a resolution of the City Council. Notwithstanding the above, for purposes of calculating the Franchise Fee owed to the City, Recyclable Material specified in Municipal Code Section 66.0109(c), as it may be amended from time-to-time, will not be counted as Solid Waste so long as the material is source-separated at the point of generation and is diverted from Disposal in accordance with AB 939 guidelines. Material of potential economic value mixed with Solid Waste, Collected, and transported to a Materials Recovery Facility or any other Facility where the material is subsequently sorted or separated for the purpose of Recycling or reuse, shall be counted as Solid Waste and subject to the Franchise Fee.

4.3 Franchise Fee Payment

Franchisee shall, for the same period, specify on the invoice the amount of Solid Waste, by weight, Collected in the City and transported to Facilities other than the Miramar Landfill.
- B. *Timing of Franchise Fee Payments.* On or before the twentieth (20th) day of each month following the end of a calendar year quarter, during the term of this Agreement, the Franchisee shall remit to the City Treasurer a sum of money, as provided in Section 4.2, as a Franchise Fee payment for the tonnages Collected in the City during the preceding quarter. Payments must be paid in full and clearly identified by having the City of San Diego's invoice copy attached and/or invoice number specified on the check, money order, or electronic payment. Payment received after the due date will be considered delinquent and subject to penalties including late fee assessments and/or revocation of Franchise privileges. If the Franchise Fee payment is not received by the City Treasurer's Office on or before the twentieth (20th) day of any month following the end of a calendar year quarter, the Franchisee shall pay to the City a late payment fee in an amount equal to ten percent (10%) of the amount owing for the quarter. The Franchisee shall pay an additional one percent (1%) owing on any unpaid balance for each month or part thereof following the initial thirty (30) day period the Franchise Fee remains unpaid. The City may lawfully include any Franchise Fees and/or penalties remaining unpaid in the amounts which the Franchisee may owe the City for Disposal fees.

In the event the City Council modifies the AB 939 Fee, the Franchisee shall pay to the City an AB 939 Fee as modified by City Council resolution.

Unless otherwise modified by City Council resolution, effective on July 1 of each year, the Franchisee shall pay to the City an adjusted AB 939 Fee in the amount calculated using the AB 939 Fee Adjustment Formula set forth below. The adjusted AB 939 Fee shall apply to all Solid Waste generated in the City that is Collected by the Franchisee and to all Solid Waste the Franchisee Disposes at the Miramar Landfill, regardless of the location of origin of the Solid Waste. Notwithstanding the foregoing, the AB 939 Fee will not be charged more than once per ton of Solid Waste.

AB 939 Fee Adjustment Formula

Effective each July 1, the per ton amount of the AB 939 Fee shall be automatically adjusted based on the annual change in the Consumer Price Index (CPI), described below, rounded up to the nearest \$1.00, as set forth in the following formula:

AB 939 Fee per ton x Consumer Price Index Change = adjusted AB 939 Fee per ton

"Consumer Price Index" or "CPI" refers to the index for all Urban Consumers, Los Angeles/Riverside/Orange County as published by the United States Department of Labor Statistics in the publication Consumer Price Indices. For purposes of the above formula, the CPI Change will be based on the change in the CPI from February of the prior year to February of the year the adjustment is being made. For purposes of the above formula, the CPI Change will be expressed as a percentage. For example, a 2% increase in the CPI from February of the prior year to February of the current year will be stated as 102%. If the CPI is no longer published, or is otherwise unavailable, then a new index or appropriate benchmark will be applied upon City Council approval.

4.5 AB 939 Fee Payment

- A. *City of San Diego Invoice.* Following the end of each calendar year quarter, the Franchisee shall receive from the City an invoice specifying the amount, by weight, of Solid Waste that the Franchisee delivered to the Miramar Landfill during the preceding quarter. - B. *Timing of AB 939 Fee Payments.* On or before the twentieth (20th) day of each month following the end of a calendar year quarter, the Franchisee shall remit to the City Treasurer the full amount due the City in AB 939 Fees, calculated in accordance with Section 4.4, for (i) Solid Waste Collected in the City and (ii) Solid Waste Disposed to the Miramar Landfill during the preceding quarter. Payments must be made in full and must be clearly identified by having the City of San Diego's invoice copy attached and/or invoice number specified on the check or money order. If the AB 939 Fee payment is not received by the City Treasurer's Office on or before the twentieth (20th) day of any month following the end of a calendar year quarter, the payment shall be considered delinquent and shall be subject to penalties and interest as allowed by law. Failure to pay AB 939 Fees in full by the due date also may result in revocation of Franchise privileges.

5.4.2 Recycling Minimum Diversion Requirements

Annual Minimum Diversion Requirements. Except as otherwise provided in this Agreement, Franchisee shall meet the following minimum diversion requirements for each calendar year:

Minimum Diversion %	Calendar Year
25%	2016
29%	2017
35%	2018
43%	2019
50%	2020

The City shall annually review the annual minimum diversion requirements to determine whether the then applicable requirements remain adequate.

Contract Opener regarding Annual Minimum Diversion Requirements. The parties acknowledge that Recycling markets can be difficult to predict and that State diversion requirements are subject to change. Thus, the City reserves the right to meet and confer with the Franchisee to revise the terms of the Agreement regarding annual diversion requirements to address issues such as Recycling market stabilization, implementation of State Legislation, and potential future State Legislation that impacts overall waste diversion requirements which would directly or indirectly affect the City. The Franchisee shall meet and confer with the City at the City's request and negotiate in good faith revisions to annual diversion requirements. If the Franchisee does not agree with the revised terms of the Agreement, then Franchisee will have the right to a public hearing by the City Council regarding the contractual dispute (See Section 9.2 for procedural requirements to have matter heard by City Council.)

Calculation of Annual Minimum Diversion Requirements. The City shall calculate the Franchisee's diversion rate, as described below, using the tonnages Disposed submitted by the Franchisee in its Quarterly Reports. The City shall, upon the Franchisee's request, consider third party Recycling arranged by, or Recycling conducted by, Franchisee's Customers in calculating Franchisee's diversion rate (hereinafter "credit"). For calendar years 2023 and 2024, the maximum allowed credit shall be limited to 15% of the required 50% minimum diversion level. Beginning calendar year 2025, the maximum allowed credit shall be 10% of the required 50% minimum diversion level.

The Franchisee must submit the request for a credit to the City annually. In its request, the Franchisee must identify each Customer property subject to the request, and provide organized and complete supporting documentation satisfactory to the City. The City shall provide a fillable credit request form and guidelines, both approved by the Director. The Franchisee's annual credit request is due at the same time as the Franchisee's Quarterly Report for the fourth quarter of the prior calendar year (January 20th). The City shall not unreasonably withhold diversion credit upon the Franchisee's submission of satisfactory documentation of third party Recycling arranged by, or Recycling conducted by, the Franchisee's customers.

The following formula shall be used to calculate the Franchisee's annual diversion rate:

"Disposed Tons Reported" means the total Disposed tonnage reported by Franchisee for the calendar year

"Diverted Tons Reported" means the total tonnage diverted for Recycling reported by Franchisee for the calendar year

"Total Tons Reported" means Disposed Tons Reported + Diverted Tons Reported

"Initial Diversion Rate" means Recycled Tons Reported / Total Tons Reported

"Third Party Recycled Tonnage" means the total City-approved tonnage that is Recycled for Franchisee's customers by anyone other than the Franchisee for the calendar year

"Adjusted Diverted Tonnage" means Diverted Tons Reported + Third Party Recycled Tonnage

"Adjusted Total Tonnage" means Total Tons Reported + Adjusted Diverted Tonnage

"Adjusted Diversion Rate" means Adjusted Diverted Tonnage / Adjusted Total Tonnage

The following is a hypothetical example of the application of the formula for calculating the Initial Diversion Rate and Adjusted Diversion Rate:

Disposed Tons Reported	7,000 tons
Diverted Tons Reported	3,000 tons
Total Tons Reported	10,000 tons
Initial Diversion Rate (3,000 tons / 10,000 tons)	30.00 %
Third Party Recycled Tonnage	500 tons
Adjusted Diverted Tonnage	3,500 tons
Adjusted Total Tonnage (10,000 tons + 500 tons)	10,500 tons
Adjusted Diversion Rate (3,500 tons / 10,500 tons)	33.33%

Corrective Actions and Liquidated Damages. The Franchisee shall be in compliance with the annual minimum diversion requirements if either:

- a. Franchisee achieves the minimum diversion rate for the applicable calendar year;
- or
- b. Franchisee's diversion rate is within 2% of the minimum diversion rate for the applicable calendar year and the following is satisfied:
 - (i) within 30 calendar days of receiving the City's notification thereof, Franchisee prepares and submits a corrective action plan to the City that documents Franchisee's actions to achieve the next annual minimum diversion requirement; and
 - (ii) the City approves Franchisee's corrective action plan.

The Franchisee’s failure to achieve compliance with the annual minimum diversion requirements, as described in this Section, may result in the assessment of liquidated damages by the City, and Franchisee may be required to prepare and submit a corrective action plan as described directly above. The assessment of any and all liquidated damages is at the City’s sole discretion. A second occurrence of failure to achieve compliance may require a presentation by Franchisee to City Council.

Franchisee and the City acknowledge that Franchisee’s failure to perform as specified in this Section shall result in damages to the City. Franchisee and the City further acknowledge that it is, and will continue to be, impractical or extremely difficult to ascertain and determine the exact amount of those damages that the City will suffer. Therefore, Franchisee and the City agree that the liquidated damages amounts listed in the table below represent a reasonable estimate of the amount of such damages considering all of the circumstances existing on the Effective Date of the Agreement including, but not limited to, the relationship that the sums have to the range of harm to the City that reasonably could be anticipated and anticipation that proof of actual damages would be impractical or extremely difficult to ascertain. The table below applies through calendar year 2022. For 2023, no Liquidated Damages will be applied, but Franchisee must submit and carry out a compliance plan if compliance is not achieved. Any Liquidated Damages applied for calendar year 2024 would be considered a 1st ever occurrence. All subsequent years would follow the table. Franchisee agrees to pay as liquidated damages and not as a penalty the amounts set forth in the table below:

Occurrence	Liquidated Damages
1 st ever occurrence	\$20/ton, for every ton under the full compliance requirement
2 nd ever occurrence	\$25/ton, for every ton under the full compliance requirement
3 rd and subsequent occurrences	\$30/ton, for every ton under the full compliance requirement

In the event that Franchisee does not meet its obligations under this Section, it shall be considered a default under Article 9 of this Agreement.

5.4.3 Recycling Infrastructure

The Franchisee shall certify annually as part of its Narrative Annual Report (Section 7.4.A), that it has access to necessary infrastructure (owned or contracted) for Recyclable Material, Organic Waste, and Refuse Collected by the Franchisee to achieve the Recycling requirements contained in Sections 5.4 and 5.4.1 (above) and the annual minimum diversion requirements contained in Section 5.4.2 (above) throughout the Term of the Agreement. If the Franchisee does not own or operate one or more of the Franchisee Designated Facilities, Franchisee shall enter into an agreement with the owner or operator of such Facility(ies) to secure a capacity guarantee that meets these requirements and achieves the annual minimum diversion requirements in Section 5.4.2.

5.7 Collection, Transportation, and Diversion of Solid Waste

The City reserves the right, upon a determination of the City Council, that the public interest requires a Collection, transportation, or diversion program different from what Franchisee has established, to require Franchisee to make changes that would include, but not be limited to, a change in its Collection or diversion operations.

5.8 Equipment

INDEMNITY, INSURANCE, BOND**

8.1 Indemnification of City

- A. *Indemnification generally.* Separate and distinct from the insurance and default provisions found in this Agreement, Franchisee agrees to defend, with counsel to be agreed upon by both parties, indemnify, and hold harmless, the City and its agents, officers, servants, and employees from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to the City's employees, agents or officers which arise from, or are connected with, or are caused or claimed to be caused by acts or omissions of Franchisee, or their agents, officers or employees, in the performance of the non-exclusive Franchise Agreement, or

in performing the work or services therein, and all costs and expenses of investigating and defending against same; provided, however, that Franchisee's duty to indemnify and hold harmless shall not include any claims or liability arising from the established sole negligence, active negligence, or sole willful misconduct of the City, its agents, officers, or employees.

- B. *Hazardous Materials Indemnification.* For Solid Waste Collected by Franchisee and transported to a non-City landfill, Franchisee shall indemnify, defend, with counsel to be agreed upon by both parties, protect and hold harmless the City, its officers, employees, agents, assigns and any successor or successors to the City's interest from and against all claims, actual damages (including but not limited to special and consequential damages), natural resources damages, punitive damages, injuries, costs, response, remediation and removal costs, losses, demands, debts, liens, liabilities, causes of action, suits, legal or administrative proceedings, interest, fines charges, penalties and expenses (including but not limited to attorneys and expert witness fees and costs incurred in connection with defending against any of the foregoing or in enforcing this indemnity) of any kind whatsoever paid, incurred or suffered by, or asserted against, the City or its officers, employees, or agents arising from or attributable to any repair, cleanup or detoxification, or preparation and implementation of any removal, remedial, response, closure or other plan (regardless of whether undertaken due to government action) concerning any Hazardous Substance or Hazardous Waste at any Disposal or processing facility where Solid Waste is or has been transported, transferred, processed, stored, Disposed of or has otherwise come to be located by Franchisee or its activities pursuant to this Agreement resulting in a release of any Hazardous Substance into the environment.
- C. *Additional Information.* Without limiting the substance of this indemnification, the foregoing indemnity is intended to operate as an agreement pursuant to 107(e) of the Comprehensive Environmental Response, Compensation and Liability Act, "CERCLA," also known as "Superfund," 42 USC §9607(e), and California Health and Safety code §25364, to defend, protect, hold harmless and indemnify the City from all forms of liability under CERCLA, other applicable statutes or common law for any and all matters addressed in this provision. This provision shall survive the expiration of the term of this Agreement.

The requirements of Section 8.1B need not be separately insured or bonded by Franchisee. The only security for the performance of Section 8.1B are the bonds required by Section 8.3. The City accepts the otherwise unsecured indemnification covenant of Franchisee set forth in this Section.

Any other indemnification agreement covering the same subject matter of which the City is beneficiary shall be primary to the indemnification agreement of this Section.

- D. *City Provided Indemnification.* Notwithstanding anything to the contrary in this Agreement, upon the Effective Date of the Agreement, the City shall indemnify, defend with counsel to be agreed upon by both parties, protect and hold harmless Franchisee, its officers, directors, employees, agents, assigns and any successors to the Franchisee's interest, from and against all claims, actual damages (including but not limited to special and consequential damages), natural resources damages, punitive damages, injuries, costs, response, remediation and removal costs, losses, demands, debts, liens, liabilities, causes of action, suits, legal or administrative proceedings, interest, fines, charges,

penalties and expenses (including but not limited to attorneys and expert witness fees and costs incurred in connection with defending against any of the foregoing or in enforcing this indemnity) of any kind whatsoever paid, incurred or suffered by or asserted against, Franchisee or its officers, employees or agents arising from or attributable to any repair, cleanup or detoxification or reparation and implementation of any removal, remedial, response, closure or other plan (regardless of whether undertaken due to government action) concerning any hazardous substance or hazardous waste arising from any Disposal Site owned by the City, including without limitation the Miramar Landfill.

- E. *Additional Information/City Indemnification.* Without limiting the substance of this indemnification, the foregoing indemnity is intended to operate as an agreement pursuant to 107(e) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA); also known as "Superfund," 42 USC §9607(e), and California Health and Safety code §25364, to defend, protect, hold harmless and Indemnify Franchisee from all forms of liability under CERCLA, other applicable statutes or common law for any and all matters addressed in this provision. This provision shall survive the expiration of the term of this Agreement.

8.2 Insurance

- A. *Minimum Scope of Insurance.* Coverage shall be at least as broad as:
1. Comprehensive General Liability and Insurance Services Office covering Broad Form Comprehensive General Liability.
 2. Automobile Liability Policy with coverage for pollution liability.
 3. Worker's compensation insurance as required by the Labor Code of the State of California and Employer's Liability insurance.
- B. *Minimum Limits of Insurance.* Franchisee shall maintain limits no less than:
1. Comprehensive General Liability: \$1,000,000 combined single limit per occurrence for bodily injury and property damage.
 2. Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury and property damage.
 3. Worker's Compensation and Employers Liability: Worker's Compensation limits of \$1,000,000 as required by the Labor Code of the State of California.
- C. *Deductibles and Self-Insured Retentions.* Any significant deductibles or self-insured retentions must be declared to and approved by the City Risk Manager. At the option of the City's Risk Manager, either: the insurer shall reduce or eliminate such deductibles or self insured retentions as respects the City, its officials, employees, agents or volunteers; or the Franchisee shall procure an additional letter of credit or bond guaranteeing payment of losses and related investigations, claims administration, and defense expenses.
- D. *Other Insurance Provisions.* The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages

- a. Franchise shall obtain, and during the term of this Agreement, shall maintain policies of liability, automobile liability, public liability, general liability and property damage insurance from an Insurance Company authorized to be in business in the State of California, in an insurable amount of no less than \$1,000,000 for each occurrence. The insurance policies shall provide that the policies shall remain in full force during the life of this Agreement and shall not be cancelled, terminated or allowed to expire without thirty (30) days prior written notice to the City from the insurance company.
- b. The City shall be named as an additional insured on these policies.
- c. The Franchisee's insurance coverage shall be primary insurance as respects the City, its officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officials, employees or volunteers shall be in excess of Franchisee's insurance and shall not contribute to it.
- d. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its officials, employees or volunteers.
- e. Coverage shall state that the Franchisee's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

2. Worker's Compensation and Employers Liability Coverage:

The insurer shall agree to waive all rights and subrogation against the City, its officials, employees and volunteers for losses arising from work performed by the Franchisee in the City.

- E. *Acceptability of Insurers.* The insurance policies required by this section shall be issued by an insurance company or companies authorized to do business in the State of California and with a rating in the most recent edition of Best's Insurance Reports, of size category VII or larger and a rating classification of A or better.
- F. *Required Endorsements.* Each insurance policy shall contain appropriate endorsements, as specified by the City.
- G. *Delivery of Proof of Coverage.* Simultaneously with the execution of this Agreement, Franchisee shall furnish the City certificates of each policy of insurance required hereunder, in form and substance satisfactory to the City. Renewal certificates shall be furnished to the City upon each policy renewal to demonstrate maintenance of the required coverages throughout the term of the Agreement.

8.3 Faithful Performance Bond

Simultaneously with the execution of this Agreement and all extensions of the Agreement, Franchisee shall file with the City and at all times thereafter maintain in full force and effect throughout the term of the Franchise and all extensions thereof; at the Franchisee's sole expense, a corporate surety bond payable to the City, executed by a corporation authorized to transact surety insurance in the State of California. The principal sum of the bond shall be forty thousand

dollars (\$40,000). The bond shall be renewed annually, and conditioned upon the faithful performance of the Franchisee, and upon the further condition that in the event the Franchisee shall fail to comply with any one or more of the provisions of the Agreement, waste delivery agreement, AB 939 provisions, late fees, penalties, or fines, there shall be recoverable jointly and severally from the principal and surety of such bond any damages or loss suffered by the City as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of any property of the Franchisee, plus a reasonable allowance for attorney's fees and costs, up to the full amount of the bond, such condition to be a continuing obligation for the duration of the Franchise and thereafter until the Franchisee has liquidated all of its obligations with the City which may have arisen from the acceptance of the Franchise by the Franchisee or from the Franchisee's exercise of any privilege granted by San Diego Municipal Code Chapter 6, Article 6. The bond shall provide that thirty (30) calendar days' prior written notice of intention not to renew, cancellation, or material change shall be given to the City.

In lieu of the corporate surety bond described above, and at the City Manager's sole discretion, the Franchisee may deposit an irrevocable letter of credit in favor of the City issued by a financial institution authorized to do business in the State of California, open a certificate of deposit in the name of the City at a financial institution authorized to do business in the State of California, or deposit cash with the City Treasurer in the amount of forty thousand dollars (\$40,000). The first two alternatives described in this paragraph shall be made through a financial institution and in a form approved by the City Manager.

ARTICLE 9 DEFAULT AND REMEDIES

9.1 Events of Default

Each of the following shall constitute an event of default ("event of default") hereunder:

- A. *Failure to Perform.* Franchisee fails to perform any of its material obligations under this Agreement, as it may be amended from time to time.
- B. *Misrepresentation.* Any misrepresentation or disclosure made to the City by the Franchisee in connection with or as an inducement to entering into this Agreement or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time the representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement.
- C. *Seizure or Attachment.* There is a seizure or attachment of (other than a prejudgment attachment), or levy affecting possession on, the operating equipment and facilities of Franchisee so as to substantially impair the Franchisee's ability to perform under this Agreement and which cannot be released, bonded, or otherwise lifted within seventy-two (72) hours, excluding weekends and holidays.
- D. *Financial Insolvency.* Franchisee files a voluntary petition for debt relief under any applicable bankruptcy, insolvency, debt or relief, or other similar law now or hereafter in effect, or consents to the appointment of or taking of possession by a receiver, liquidator, assignee (other than as a part of a transfer of equipment no longer useful to Franchisee or necessary for this Agreement), trustee (other than as security for an obligation under a

deed of trust), custodian, sequestrator (or similar official) for any part of the Franchisee's operating assets or any substantial part of the Franchisee's property, or makes any general assignment for the benefit of the Franchisee's creditors, or shall fail generally to pay the Franchisee's debts as they become due or shall take any action in furtherance of any of the foregoing.

- E. *Court Decisions.* Any court having jurisdiction shall enter a decree or order for relief in respect of the Franchisee, in any involuntary case brought under any bankruptcy, insolvency, debt or relief or similar law now or hereafter in effect, or the Franchisee shall consent to or shall fail to oppose any such proceeding, or any such court shall enter a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequestration (or similar official) of the Franchisee or for any part of the Franchisee's operating equipment or assets, or order the winding up or liquidation of the affairs of Franchisee.
- F. *Fraud or Deceit.* If the Franchisee practices, or attempts to practice, any fraud or deceit upon the City.
- G. *Failure to Maintain Coverage.* If the Franchisee fails to provide or maintain in full force and effect the insurance and/or indemnification coverage as required by this Agreement.
- H. *Violations of Regulation.* If the Franchisee violates any permits, orders or filing of any regulatory body having jurisdiction over the Franchisee which violation or noncompliance materially affects the Franchisee's ability to perform under this Agreement; provided that the Franchisee may contest any such permits, orders or filings by appropriate proceedings conducted in good faith, in which case no breach of the Franchise shall be deemed to have occurred during the pendency of the proceedings or appeal, to the extent the Franchisee is able to adequately perform during that period.
- I. *Acts or Omissions.* Any other act or omission by Franchisee which materially violates the terms, conditions, or requirements of this Agreement, AB 939, as it may be amended from time-to-time, SB 1383, as it may be amended from time-to-time, or an order, directive, rule, or regulation issued thereunder and which is not corrected or remedied within the time set in the written notice of the violation or, if the Franchisee cannot reasonably correct or remedy the breach within the time set forth in such notices, if the Franchisee should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.
- J. *Termination of Service.* In the case of a breach related to the above sections, and the breach continues for more than thirty (30) calendar days after written notice from the Director for the correction thereof, provided that where such breach cannot be cured within such thirty (30) day period, the Franchisee shall not be in default of this Agreement if Franchisee shall have commenced such action required to cure the particular breach within ten (10) calendar days after such notice, and it continues such performance diligently until completed.

9.2 Dispute Resolution

A Franchise may be suspended or revoked by the Manager when the Franchisee violates any provision of this Agreement or any rule or regulation promulgated by the Manager. Written notice of suspension or revocation of the Franchise shall be served personally or by registered or

certified mail, postage prepaid, to the last place of business or residence of the Franchisee and the Franchisee shall cease operations under this license within ten (10) calendar days after receipt of said notice unless the Franchise has been reinstated by the Manger or an appeal hearing before the City Council is requested by the Franchisee prior to expiration of said ten (10) calendar day period. In the event that such an appeal hearing is requested, said Franchisee may continue Collecting, transporting, and Disposing of or Recycling Solid Waste until the City Council has rendered its decision on the suspension or revocation of the Franchise. Any Person whose Franchise has been revoked or suspended has the right to an appeal hearing before the City Council. A request in writing shall be made to the City Clerk within ten (10) calendar days after receipt of notice of suspension or revocation, and the appeal hearing shall be held no later than fourteen (14) calendar days following the receipt of the written request. Written notice of the time, date, and place of the appeal hearing shall be given by the City Clerk to the Franchisee and to the Manger. The City Council shall render its decision within fifteen (15) calendar days after the close of the appeal hearing, and its decision shall be final.

9.3 Right to Terminate Upon Default

Upon a default by Franchisee, and after the completion of the process described in Section 9.2, the City shall have the right to terminate this Agreement without need for any additional hearing, suit or legal action.

9.4 City's Remedies Cumulative: Specific Performance

The City's right to terminate the Agreement under Section 9.2 is not exclusive, and the City's termination of the Agreement shall not constitute an election of remedies. Instead, they shall be in addition to any and all other legal and equitable rights and remedies which the City may have. By virtue of the nature of this Agreement, the urgency of timely, continuous and high quality service, the lead time required to effect alternative service, and the rights granted by the City to the Franchisee, the remedy of damages for a breach hereof by the Franchisee may be inadequate and the City shall be entitled to injunctive relief.

9.5 Excuse from Performance

The parties shall be excused from performing their respective obligations hereunder in the event they are prevented from so performing by reason of floods, earthquakes, other "acts of God," war, civil insurrection, riots, acts of any government (including judicial action), and other similar catastrophic events which are beyond the control of and not the fault of the party claiming excuse from performance hereunder. Labor unrest, including but not limited to strike, work stoppage or slowdown, sick-out, picketing, or their contracted job action conducted by Franchisee's employees or directed at Franchisee is not an excuse from performance and Franchisee shall be obligated to continue to provide service notwithstanding the occurrence of any or all of such events; provided, that in the case of labor, unrest or job action directed at a third party (e.g., Customer) over whom the Franchisee has no control, the inability of the Franchisee to make Collections due to the unwillingness or failure of the third party to provide reasonable assurance of the safety of Franchisee's employees while making Collections or to make reasonable accommodations with respect to Container placement and point of delivery, time of Collection or other operating circumstances to minimize any confrontation with pickets or the number of persons necessary to make Collections shall, to that limited extent, excuse performance and provided further that the foregoing excuse shall be conditioned on the Franchisee's cooperation in making Collection at different times and in different locations.

The party claiming excuse from performance shall, within two (2) working days after such party has notice of such cause, give the other party notice of the facts constituting such cause and

assert its claim to excuse under this Section. Notwithstanding the foregoing, the Franchisee in the event of a catastrophic event shall comply with the City's emergency preparedness plan.

In the event that either party validly exercises its rights under this Section, the parties hereby waive any claim against each other for any damages sustained thereby.

Notwithstanding the foregoing, however, (1) the existence of an excuse from performance will not affect the City's rights under this Section; and (2) if the Franchisee is excused from performing its obligations hereunder for any of the causes listed in this Section for a period of thirty (30) calendar days or more, other than as the result of third party labor disputes where service cannot be provided for reasons described earlier in this Section, the City shall nevertheless have the right, in its sole discretion, to terminate this Agreement by giving ten (10) working days notice, in which case the provisions of Section 9.2 will apply.

9.6 Appropriately Assessed Fines for Non-Performance

The requirements contained in this Agreement are of the utmost importance for the public health, safety, and well-being of residents and Commercial enterprises in the City, and for compliance with applicable law and regulations including State diversion requirements. Non-performance by Franchisee of the terms of this Agreement may impact diversion goals and could potentially lead to fines from CalRecycle. In the event the City is assessed fines by CalRecycle for Franchisee's non-compliance of State-mandated requirements, the City will identify the responsible Franchisee(s) who's acts or omissions caused the City's non-compliance and proportionately assess fines to Franchisee.

ARTICLE 10 OTHER AGREEMENTS OF THE PARTIES

10.1 Relationship of Parties

The parties intend that the Franchisee shall perform the services required by this Agreement as an independent Franchisee and not as an officer, agent, or employee of the City nor as a partner of or joint venture with the City. No employee or agent of the Franchisee shall be or shall be deemed to be an employee or agent of the City. Except as expressly provided herein, the Franchisee shall have the exclusive control over the manner and means of conducting the Solid Waste Collection services performed under this Agreement, and all persons performing such services. Franchisee shall be solely responsible for the acts and omissions of its officers, employees, subcontractors, and agents. Franchisee officers, employees, agents, or contractors shall not obtain any rights to retirement benefits, worker's compensation benefits, or any other benefits which accrue to the City's employees by virtue of their employment with the City.

Franchisee agrees that this Agreement is not made in the interests of, or on behalf of, any undisclosed Person, partnership, Franchisee, association, organization, or corporation. Franchisee has not directly or indirectly colluded, conspired, connived or agreed with any Person, partnership, Franchisee, association, organization, or corporation to secure any advantage against the City.

10.2 Compliance with the Law

In providing services under this Agreement, Franchisee shall at all times, at its sole cost, comply with all applicable laws of the United States, the State of California, the County of San Diego, and the City and with all applicable regulations promulgated by any federal, state, regional or

local administrative and regulatory agency, now in force and as they may be enacted, issued, or amended during the term of this Agreement.

10.3 Governing Law

This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California and the United States.

10.4 Jurisdiction

Any lawsuits between the parties arising out of this Agreement shall be brought and concluded in the courts of the State of California which shall have exclusive jurisdiction over such lawsuits. With respect to venue, the parties agree that this Agreement is made in and will be performed in the City of San Diego, County of San Diego and the State of California. Federal courts may have jurisdiction over certain lawsuits arising from this Agreement and these should be brought and concluded within the federal system.

10.5 Assignment

Franchisee acknowledges that this Agreement involves rendering a vital service to City residents and businesses, and that the City has franchised Franchisee to perform the services specified herein based on (1) Franchisee's experience, skill, and reputation for conducting its Solid Waste management and/or Recycling operations in a safe, effective and responsive fashion, at all times in keeping with applicable waste management laws, regulations and good Solid Waste management practices, and (2) Franchisee's financial resources to maintain the required equipment and to support its indemnity obligations to the City under this Agreement. The City has relied on each of these factors, among others, in choosing the Franchisee to perform the services to be rendered by the Franchisee under this Agreement.

Any Franchise granted pursuant to this division is a privilege to be held in trust by the original Franchisee. A Franchise issued under this division shall not be transferred, sold, leased, assigned, relinquished, or delegated to another person, either in whole or in part, whether by forced sale, merger, consolidation, bankruptcy laws or otherwise, without the prior approval of the City Council. This restriction includes, but is not limited to, the transfer of ownership of the Franchise, or a majority of the ownership or control of the Franchise, or the conveyance of a majority of the Franchisee's stock to a new controlling interest.

The Franchisee shall provide the City with ninety (90) calendar days advance written notice of its intent to transfer, sell, lease, assign, relinquish or delegate its Franchise to another Person. Franchises shall become void upon abandonment of the same by the Franchisee. The City Council shall not unreasonably withhold approval of a Franchise assignment, provided that such assignment does not unreasonably impact competition and the assignee is qualified to perform its obligations as required by this Franchise Agreement and any implementing City ordinances. Notwithstanding the above, no Franchise shall be approved to be transferred, assigned or otherwise conveyed to another party unless and until all City accounts are current and no monies are owed to the City by the existing Franchisee.

10.6 Binding on Successors

The provisions of this Agreement shall inure to the benefit to and be binding on the successors and permitted assigns of the parties.

10.7 Parties in Interest

Nothing in this Agreement, whether express or implied, is intended to confer any rights on any Person other than the parties to it and their representatives, successors, and permitted assigns.

10.8 Waiver

The waiver by either party of any breach or violation of any provision of this Agreement shall not be deemed to be a waiver of any breach or violation of any other provision nor of any subsequent breach or violation of the same or any other provision.

The subsequent acceptance by either party of any monies which become due hereunder shall not be deemed to be a waiver of any preexisting or concurrent breach or violation by the other party of any provision of this Agreement.

10.9 Franchisee's Investigation

Franchisee has made an independent investigation (satisfactory to it) of the conditions and circumstances surrounding the Agreement and the work to be performed by the Franchisee.

10.10 Notice

All notices, demands, requests, proposals, approvals, consents, and other communications which this Agreement requires, authorizes or contemplates shall, except as otherwise specifically provided, be in writing and shall be effective when personally delivered to a representative of the parties at the address below, or deposited in the United States mail, first class postage prepaid, return receipt requested, addressed as follows:

10.11 Representative of the Parties

The Manager may delegate, in writing, authority to other City officials and may permit such officials, in turn, to delegate in writing some or all of such authority to subordinate officers. Franchisee may rely upon actions taken by such delegates if they are within the scope of the authority properly delegated to them.

- A. The Director shall be responsible for administration of this Agreement on behalf of the City.
- B. The Director may delegate authority to an appropriate City employee or other appropriate person.

- C. The Manager reserves to himself or herself all discretionary and administrative authority not otherwise expressly delegated pursuant to this Agreement. Whenever this Agreement requires approval by the City, the approval may be given by the Manager.

Franchisee shall, by the effective date, designate in writing a responsible officer who shall serve as the representative of the Franchisee in all matters related to the Agreement and shall inform the City in writing of such designation and of any limitations upon his/her authority to the Franchisee. The City may rely upon action taken by such designated representative as action of the Franchisee unless they are outside the scope of authority delegated to him/her by the Franchisee as communicated to the City.

10.12 Declared State of Emergency

In the event that an authorized official declares a State of Emergency within any geographic area of the City, as authorized in Chapter 7, Division 1, Title 2 of the California Government Code (California Emergency Services Act) or U.S. Public Law 81-920 (Federal Civil Defense Act of 1950), the City will have the right to exercise all privileges and perform all services required under this Agreement, but will not be required to make prior notification to the Franchisee.

10.13 Notice

This Agreement does not affect the rights or obligations of the parties under Section 49520 through 49524 of the Public Resources Code.

10.14 Non-Discrimination in Contracting for City Service

City shall not discriminate between Class I and Class II Franchisees in the bidding, evaluating and/or awarding of contracts for Solid Waste Collection services at City Facilities.

10.15 Franchise Fee Acknowledgement

Franchisee acknowledges that the Franchise Fee is an obligation imposed on Franchisee and is not an obligation imposed on any individual Customer of Franchisee. Franchisee shall not represent to any Customer that the City is imposing a Franchisee Fee on individual Customers of Franchisee.

10.16 AB 939 Fee Acknowledgement

Franchisee acknowledges that the AB 939 Fee is an obligation of the Franchisee paid as partial consideration for the Franchise and is not an obligation imposed on any individual Customer of Franchisee. Franchisee shall not represent to any Customer that the City is imposing an AB 939 Fee on individual Customers of Franchisee.

10.17 Drug-Free Workplace

The Franchisee agrees to comply with the City's Drug-Free Workplace requirements set forth in Council Policy 100-17 which is incorporated into this Agreement by this reference. As provided in Exhibit "A," the Franchisee shall certify to the City that it will provide a drug-free workplace and:

- A *Franchisee's Notice to Employees.* The Franchisee shall publish a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of the prohibition.

- B *Drug-Free Awareness Program.* The Franchisee shall establish a drug-free awareness program to inform employees about all of the following: (i) The dangers of drug abuse in the work place; (ii) The policy of maintaining a drug-free work place; (iii) Available drug counseling, rehabilitation, and employee assistance programs; and (iv) The penalties that may be imposed upon employees for drug abuse violations.
- C *Posting the Statement.* In addition to Subsection (A) above, the Franchisee shall post the drug-free policy in a prominent place.
- D *Subcontractor's Agreements.* The Franchisee further certifies that each contract for subcontractor services for this Agreement shall contain language that binds the subcontractor to comply with the provisions of Sections 2.A(1) through (3) of Council Policy 100-17. The Franchisee and any of its subcontractors shall be individually responsible for their own drug-free work place program.

10.18 ADA Certification

Franchisee shall comply with all applicable accessibility requirements under the ADA and under Title 24 of the California Code of Regulations (Title 24). When a conflict exists between the ADA and Title 24, Franchisee shall comply with the most restrictive applicable requirement (i.e., that which provides the most access). The Franchisee shall also comply with the City's Americans With Disabilities Act Compliance/City Contracts requirements set forth in Council Policy 100-04 which is incorporated into this Agreement by this reference. Franchisee further covenants that any subcontract agreement for this Agreement shall contain language which indicates the subcontractor's agreement to abide by the provisions of the City Council Policy 100-04 and any applicable access laws and regulations.

10.19 Non-Discrimination Requirements

- A. *Compliance with the City's Equal Opportunity Contracting Program.* The Franchisee shall comply with the City's Equal Opportunity Contracting Program Contractor Requirements as provided in Exhibit "B" to this Agreement. The Franchisee shall not discriminate against any employee or applicant for employment on any basis prohibited by law. The Franchisee shall provide equal opportunity in all employment practices. The Franchisee shall ensure that its subcontractors comply with the City's Equal Opportunity Contracting Program Contractor Requirements. Nothing in this Section shall be interpreted to hold the Franchisee liable for any discriminatory practice of its subcontractors.

- C. *Compliance Investigations.* Upon the City's request, the Franchisee agrees to provide to the City, within sixty calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that the Franchisee has used in the past five years

The Franchisee further agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Nondiscrimination in Contracting Ordinance [San Diego Municipal Code sections 22.3501-22.3517]. SUBJECT: DRUG-FREE WORKPLACE/CITY CONTRACTORS
POLICY NO.: 100-17

COUNCIL POLICY
