

CONSTRUCTION NOTICE: Nighttime Full Road Closure on Friars Road between Sea World Drive and Napa Street on June 13

Jun. 10, 2024

On June 13, construction crews will be working during the nighttime on Friars Road for the City of San Diego Morena Pump Station project, part of the Pure Water San Diego Program. During the nighttime work, Friars Road will be fully closed to all vehicle, bicycle, and pedestrian traffic between Sea World Drive and Napa Street. Work and closure hours are scheduled for June 13 from 9 p.m. to 5 a.m. Following the nighttime work, one eastbound lane and two-way bicycle traffic will resume to be open on Friars Road between Sea World Drive and Napa Street.

What To Expect: During nighttime work, a full closure of Friars Road will be in effect between Sea World Drive and Napa Street while construction crews work on conduit at the Napa Street intersection. Noise and light impacts are expected in the area, however; crews are aware of nearby residences and will minimize impacts to the extent possible. During the day, Friars Road between Sea World Drive and Napa Street will reopen to eastbound traffic only and two-way bicycle traffic. A detour map is available on page 2.

When: The nighttime full closure of Friars Road will occur on June 13 from 9 p.m. to 5 p.m. Please note that construction schedules are subject to change due to weather impacts, site conditions and operational issues.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Pump Station project is one of several major water infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on morena.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and the Morena Pump Station project, and a team member will get back to you within one business day.
