**Subject:** Information Bulletin 414 – Senate Bill 684 Tentative Maps

---

The Development Services Department (DSD) has implemented a new streamlined ministerial approval process for certain tentative maps for ten or fewer residential units on qualified lots under five acres. This new process was necessitated by [Senate Bill 684](#).

[Information Bulletin 414](#) has been published to describe the application requirements for filing a tentative map using provisions that allow a Process One ministerial approval. The bulletin details eligibility requirements and new regulations for these maps as well as the final permitting process to incentivize housing development.
